The 4th of July has passed. Thoughts are turning to Fall and the Montgomery County Kennel Club weekend. Hatboro is back at Wrightstown. We have a new place for the United States Kerry Blue Terrier Club's dinner on Friday, October 6th and our Concurrent specialty has been parked on Thursday afternoon. All of the information concerning this weekend can be found in this issue of *Kerry Blueprints* or on the US website.

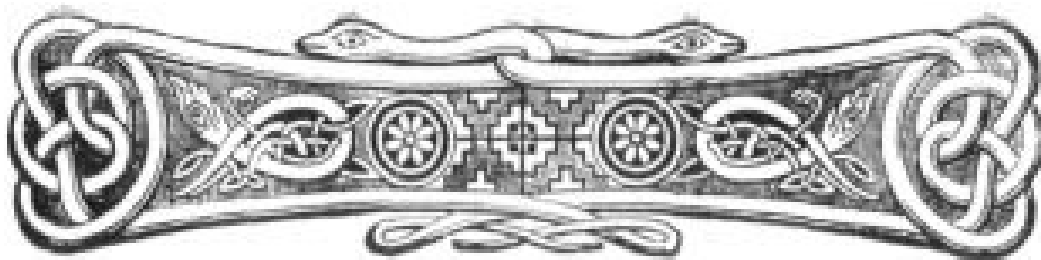

Kerry Blueprints Summer looks to be one of the best issues to date! Our Gallery of Winners is packed full of listings from KerryFest and beyond. There are a couple of excellent articles reprinted from *TerrierGroup Magazine* concerning warm weather canine health issues as well as full coverage of the USKBTC's inaugural KerryFest which was a great success! The USKBTC already has Purina Farms on contract for 2018! Stay tuned for updates from the KerryFest Planning Committee in the upcoming months.

The Challenge of Champions remains a work in progress. Competitors and Kerry Blue Terrier fans certainly enjoyed the evening. One of the highlights for the audience was the opportunity to cast their personal votes for the People's Choice award. Procedures are being evaluated and streamlined to make this event bigger and better.

As many of you know from Facebook and the Google list, the USKBTC has lost quite a number of members due to lack of dues payments. This club is only as strong as it's members and it is disturbing to have 25 plus members opt out. This seems to be the same old song for a lot of breed clubs. Lack of participation, lack of commitment and yes, sometimes it is the "I don't care" attitude. The sad thing is that the Kerry Blue Terrier breed is effected in such a negative way. I truly believe this club must adjust to the way this breed and the sport of purebred dogs is going.

I don't have a solution to this problem, but I do think that keeping the breeder as the centerpoint and working outward should be supported. Breeders who do testing, who strive for the healthiest and most sociable puppies, who painstakingly choose the best possible home for these precious lives that they brought into this world are the core of this club! We should then look to the wonderful companion and show homed animals who bring that special light to families. They must never be overlooked. This club must be THE source of all things Kerry, where everyone can find an answer or find a friend!

See you all at Montgomery!
Melanie

To The Membership:

*The purpose of publishing the "Proposed Member" is to give the membership the opportunity to review applicants and comment, if they so desire, in support of, or opposition to, said applicants membership. Correspondence in support of and/or opposition to the membership, should be directed to the Membership Chair within 30 days after publication of said applicant. **USKBTC Membership Chair: Mary A. McGreevy, 25 New Castle Drive, Charles Town, WV 25414.***

Any correspondence received during that time period will be attached to the ballots which are forwarded to the Board of Governors for the voting process.

(Continued on page 13)

A Letter from the Editor. . .

Happy Summer, everyone! The 2017 show season got off to a rousing start in January with the KBTC of Southern California Winter Specialty on January 6th, followed by the KBTC of Central Florida on January 21st. The first weekend in May, the USKBTC's inaugural KerryFest was held at Purina Farms: two days of Barn Hunt, the **first** Challenge of Champions, and the USKBTC Traveling and Concurrent Specialties. The KBTC of St. Louis moved their specialties to stand with the USKBTC events, for a total of four shows with majors in three days of showing. Two weeks later, the KBTC of Greater Pittsburgh held their specialties on their new show dates in mid-May, again with majors for both specialties. The KBTC of Southern California has just followed up with their Summer Specialty, just as summer arrived. What a terrific start to the show season!

All of the chapter club show results to date are included in this issue, along with two health articles about Leptospirosis and the water dangers of toxic blue-green algae. There is another wonderful Breeder Spotlight article, a more detailed re-cap of KerryFest with photos of the fun, and a great article about our Kerry It Forward recipients. You will also find information for Montgomery week, including Futurity forms, details about the Annual Dinner and Hotel information, and a schedule for the weekend. Last but not least, don't forget to visit the USKBTC website ~ <http://www.uskbtc.com/> ~ to view other informative articles found under the tab "About Kerries". Check it out today!

Kerry fans ~ this club needs **YOU**. Although show entry numbers are reportedly up compared to the past couple of years, our chapter clubs still need members willing to roll up their sleeves and pitch in to make things happen! Whether you participate in a companion event (agility, obedience, herding, etc) or show in conformation, the Kerry blue terrier, the USKBTC and its area chapter clubs need your support. Whether you volunteer to ring steward, help set up trophy tables, sell raffle tickets or lend your talents in some other way, **PLEASE** consider becoming involved in your local chapter club and the USKBTC.

Remember. . . EVERY Kerry blue terrier and its owner can be an ambassador of this wonderful breed. Until next time. . . Stay cool, stay safe and Kerry on!

Janie MacBryde
Blueprints Editor

**2017 USKBTC FUTURITY and MATURITY
TROPHY FUND**

In true Kerry Blue fashion, please give generously to the 2017 Futurity Trophy Fund. Your donation will support the breeders who show their puppies at this event.

TROPHY FUND DONATION

NAME: _____ KENNEL: _____

LEVEL: Platinum \$100 Gold \$50 Silver \$25 Pewter \$15

In Honor or Memory of: _____

Please send all donations to: Eddie Dulaney
8118 Jim Wolfe Road
Corryton, TN 37721

All checks should be made out to USKBTC and mailed **with** the form to Lucy Noe at the address above.
Please note that trophy donations made to the regular class trophy fund are separate, and are not shared with the Futurity/Maturity trophy fund.

Breeder Spotlight

Marie Sostmann ~ Pot 'O' Gold Kerries

In this article, I would like to 'Spotlight' breeder Marie Sostmann of Pot O' Gold Kerry Blue Terriers. Newly elected, Lifetime Achievement Award recipient, Marie opened up her home to me on May 8, 2017 sharing stories of her journey down the road with the Kerry Blue Terrier over the past 35 years.

Before arriving at Marie's house, traveling from the East Coast for KerryFest at Purina Farms, the first week of May was filled with many highlights. To mention a few, one included listening to a man at ringside share his love of the breed by mentoring a group of people that kept getting larger, critiquing all going by in the ring and answering questions defining his opinions with knowledge gained by sharing many years of his life surrounded by the Kerry Blue Terrier. Technically, I was not part of the group, but was doing my best 'Irish Eavesdropping.' Another highlight was having dinner with a group of fanciers, celebrating one of their birthdays and finding out that, with one couple at the table, I shared the same town growing up on Long Island NY and they knew my father from many days gone by.

At the conclusion of KerryFest, as the trip started to Marie's house, driving due west on I-70 towards Kansas City in the warm sunny weather, numerous signs for 'Wine Tastings' at the local vineyards off the road were very inviting but I held my ground and found a Dunkin Donuts instead. However, I did think to myself 'Wine tastings and Kerry Blue Terriers.' Let's have a toast!

Finally arriving at Marie's beautiful home and being graciously welcomed by herself and her Kerry Daisy was such a privilege. A few hours were not enough to share the many memories and experiences encompassing over 35 years and 13 litters of Pot 'O' Gold Kerry Blue Terriers. But it only took a few minutes to know that she is a great ambassador for the breed. Listed below are just a few contributions Marie Sostmann has made to the Kerry Blue Terrier and the USKBTC:

- USKBTC Member for over 25 years
- Served on the USKBTC Board of Directors for two terms from 1994-2000
- Vice President of the USKBTC for four years from 1996-2000
- Served on Rescue Committee
- Served on the Life Membership Committee.
- Served as Nominating Chairman
- Maintained a library from which USKBTC members could request copies sharing knowledge.
- Helped in updating of Bylaws
- Co-Chaired the USKBTC Futurity in 1996 and 1997 with entries in those two years of 65 and 67.
- Bred over 20 AKC Champions
- BOS Winner at USKBTC Traveling Specialties in 1994 and 1995 with Pot O Gold's 'Luck O The Irish'. He sired over 20 AKC Champions!
- Contributed to the rescue of numerous Kerry Blue Terriers after the owner breeder died and worked behind the scenes on many occasions, with the help of others, to get Kerries out of bad situations into USKBTC Rescue.

All of these contributions listed above were not given to me by Marie, but found in old *Kerry Blueprints* articles giving her the title of 'Modest Marie.'

Born in Rockford Illinois, Marie met her husband as a patient in a hospital where he was an intern. After getting married, they moved from Detroit to San Antonio where he did his fellowship

becoming a Radiologist. This led them to the Kansas City area where they rented a home on a busy street. As they started to look for a house to call their own, they almost did not take a look at one a realtor recommended because it was on the same busy street. After finally agreeing, when Marie opened the door and looked out the bay window into the big tree lined back yard she said 'I want it!' knowing it was perfect for the 2 schnauzers, cockapoo, poodle and yorkie that were also part of the family! In addition, they would also be raising two sons, Scott and Greg, in the house built in 1950. This day, both sons live in the surrounding area working in the computer and accounting fields. Now that she was settled, her life would change just by taking a glance.

Almost 30 years ago, in January 1987 Marie had her first litter of Kerry Blue Terriers, but her first look at a Kerry was at a local benched show in the Kansas City area. From a distance, she could see this curly brownish coated puppy in the sun with its arms around the neck of its owner as it camped in his lap. Immediately, she said to herself "I have to get one of those." Walking over, she watched as Camshron's 'Flash' won the group. After much searching, this led her to finding a newspaper advertisement for Kerry Blue Terrier puppies available from breeders Marion Gough and Ellen Wexler. Only having two left, Marie took the Kerry available as a pet 'Gaymar's Pot of Gold Heidi'. Of course, in a very short period of time, she was looking for another Kerry to keep Heidi company and Susan Godby had one available that needed to be shown. So she acquired 'Gaymar's Misty Blue Diamond' quickly finishing both and falling in love with the Kerry Blue Terrier.

Marie earned a Bachelor's of Science degree with credits towards a Master's and became a registered medical technologist. With this background, she became hooked on studying pedigrees and read as much as possible to try and create the best Kerry Blue Terrier without ever knowingly accepting a flaw in bloodlines that she thought would not create the best outcome. Correct movement and temperament are attributes she regards highly. Marie states "Any breeding that I did, my first priority, other than health, was temperament. Number two is movement. If you see a Kerry with spectacular movement, you know it instantly. It is like they are floating in the air." Also being a researcher at heart Marie states "I Encourage people to read! Learn the science and genetics of it. It is so important to be knowledgeable." Some favorite books mentioned included: *Genetics of the Dog*-Malcolm B Willis, *Canine Hip Dysplasia*-Fred L. Lanting, *The Dog in Action*-McDowell Lynn's, *Canine's Reproduction-A Breeder's Guide*-Phyllis A. Holst, MS, DVM and *The Kerry Blue Terrier*, Edith Izant.

Acclaimed breeders of their time, Bee Schlesinger and Fern Rogers, were both mentors to Marie giving advice and later breeding to her line on Pot 'O' Gold Kerries. Living relatively close to each other, they strived to enhance the Kerry Blue Terrier when their paths crossed. Marie has produced and had approximately 25 Kerry Blue Terriers Champions of her own only breeding once every year or two having her main goal to make the next generation better than the last. One in particular, 'Luck of the Irish' sired 23 champions himself! Some words of advice from Marie on successful breeding is "Learn what you're doing. See what's behind the pedigrees. See what the dog has produced. That is really important. Research lineage." Always being with puppies 24/7, there was no need for temperament testing. Placing dogs at 4 months, she knew all traits of all puppies and shared them with future owners for many successful transitions to lifetime homes. "Breeding never felt like I was competing against another top dog or kennel. I was always competing against myself. I loved the genetics of breeding more than anything, including studying how to develop all traits - even though color is the one that I've found most challenging to figure out."

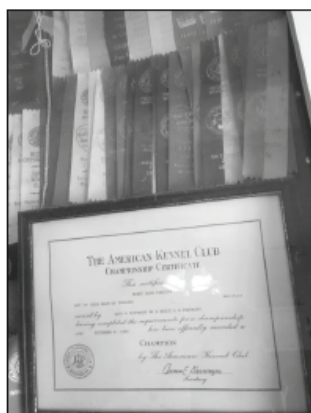

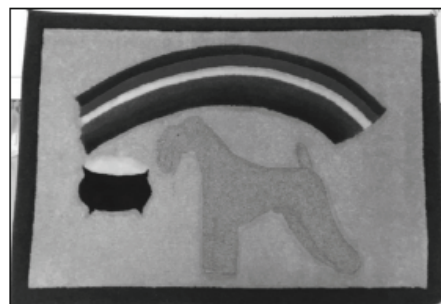

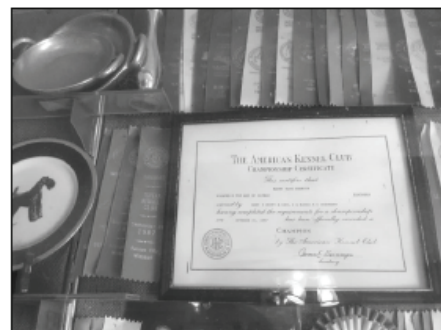

Just by her willingness to share her knowledge of the Kerry Blue Terrier, she has made many friends that hold her in high regard, but more importantly hold dearly the sincere advice and comradery always available with her friendship close to their heart. A few examples are expressed below:

Gary Alu shared "Marie instilled in me how important well colored and correct coated Kerries are. She has always been there for me during my litters, offering great insight and wisdom into all issues pertaining to breeding and life! Just a phone call away at any time of the day or night! Always supportive, Marie inspires with a humbleness that all should admire! I am truly blessed to be able to call Marie Sostmann a mentor and more importantly a dear friend I can always count on."

Gene Possidento comments that "I'm thinking Marie is the hub of a wheel with a lot of spokes. A great many Kerry breeders connect up with Marie. A lot of us got to know her when she was the USKBTC club librarian. She was always helpful, gave good common sense advice and could be a great person to tell your troubles to. Her usual comeback would be, "Well, when that happened to me...". When you as a breeder have troubles, it is always wonderful to have a friend who has been there, done that and can tell you how to get through it. For me, that person is Marie."

So let's have a toast to 'Modest' Marie Sostmann of Pot 'O' Gold Kerry Blue Terriers for her success in making the next generation of Kerries 'better than the last' and sharing her knowledge and true love of this great breed to anyone interested making such a difference!

Jean Waters

**I'd Like You to Meet Parker!
2016 USKBTC Charitable Funds
Kerry It Forward Award Recipient**

AKC CH/RBIS UKC CH Symphonie's If I Had You, CGC "Parker"

By Jann Mackenzie Steel Lane, PhD.
Kerry It Forward Award

Sire: Multi BIS/BISS AM/SW/Can GCH Symphonie's Be My Valentine "Cruiser"
Dam: Symphonie's Mystic River
Breeder: France Godbout

Although Parker has a well-known pedigree, he would rather be known for his work with children, seniors, anyone who is struggling with challenges of life and for being there as an assistance dog for his owner, Stephanie Clark.

Parker is the 2016 recipient of our Kerry It Forward Award, Blue Star Medallion, awarded for three or more areas of contribution to the Kerry blue terrier, Canine-Humanitarian Bond. His areas of recognition include serving as a Service Assistance dog to his owner Stephanie Clark; serving as a Therapy Dog in healthcare facilities; and as a Therapy Dog to seniors in retirement facilities. Recently, Parker has added a fourth service. Parker visits school children K-8 experiencing emotional development delays, offering his encouragement and support. Parker is also receiving his AKC THDN title soon and is well on his way to his THD title, working as a Therapy Dog through Gabriel's Angels. In his free time, during the holidays, Parker also dons a costume and serves as "Santa Dawg" at the Teen Outreach Pregnancy Services' annual Christmas Party.

Parker's journey these past seven years was not an easy one. Probably, in some very special 'Kerry way,' Parker conveys his strength and courage to overcome his own health challenges, to those he helps today.

His story is best told in his owner's own words.

Parker's owner: Stephanie Clark:

"When I first brought Parker home, he had some rather large expectations to fill! His dad, Cruiser, had done some pretty big winning in his time, and it was anticipated that Parker would do the same. Between 9-11 months of age (2011) Parker contracted Valley Fever. We put him on the anti-fungal medicine, Fluconazole, for 60 days. At that point, his titer was reevaluated and it came back negative. He was taken off the medicine. Worrying over, right? One would think! There is the possibility that valley fever will reoccur in dogs that have previously been affected by it. Yet again I believed that would never happen to my special boy!

Fast forward to the year 2016 and after being completely medicine-free for 2 years, Parker's Valley Fever came back with a vengeance! Back on the medicine he went! While Parker currently shows no clinical signs of valley fever, except for an elevated titer, I always remain hopeful that his titer will come back negative. There is no way to know, exactly, where the valley fever is in his body, we just know it's still there! Parker has done his due diligence and donated blood at the Valley Fever Center for Excellence. Hopefully his blood can help the researchers find a vaccination and other dogs won't have to go through what Parker has!

(Continued on page 11)

(Continued from page 10)

Parker did obtain his CH title before having to be neutered, due to the Valley Fever. Since his specials career was over before it really started, I looked into other options. I, myself, trained Parker for his Canine Good Citizen test and he passed with flying colors! He has also been working as a service dog, learning more and more tasks every day. Additionally, Parker is a highly sought after grooming competition dog. His wonderful, and patient, outlook on life makes him a perfect participant! Groomers, that have used him in competitions, joke about taking him home with them!

Parker's latest venture is becoming a registered Therapy dog with Pet Partners (formerly Delta Society). While Parker has been making visits to my grandmother's dementia unit and a few Soroptimist events (his latest outing was to play Santa Danc at the Teen Outreach Pregnancy Services Christmas party), it was time to take it a step further! I think that I was more nervous than Parker was, for our team evaluation. Before I knew it, the evaluation was over, we passed with flying colors and they couldn't wait to get us started! Parker and I will be doing therapy work at Phoenix Children's Hospital. Visiting children is something that pulls at my heart strings, as I know the feeling of spending months in a hospital and missing my dogs! Parker is too special of a dog to not share with everyone!

Who knows where else this will take Parker (and me)!! His sweet, stable temperament brings a smile to everyone that he meets and an extra bonus; he is an incredible ambassador for our breed."

Congratulations, Parker, on all your achievements. We are very proud of you and thank you for your contributions to the Canine-Humanitarian Bond and to our breed.

Kerry On, Parker.

CALENDAR NEWS FLASH!

We need photos of your Kerry companions for the 2018 USKBTC calendar! Please share candid shots of your four legged best friend doing all those things Kerries love to do: herding, training, working or lazing around. Photos of your Kerry puppies, senior Kerries and all ages in-between will be gladly accepted.

If you have photos to share, please scan them at high resolution (300 dpi is perfect) and email them to our calendar creator Melanie Feldges at macgd@comcast.net. With your help, this will be another great showcase for our beloved Kerry blue terriers!

QUESTIONS? Call Melanie at 630/220-9743.

Deadline for all submissions is September 1, 2017.

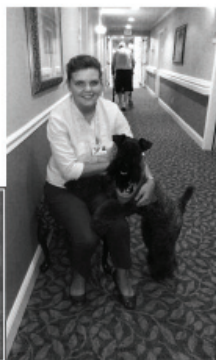

Looking Back at Kerry It Forward

2010-Present

2017 will be our eighth year in honoring the heart and compassion of the Kerry blue terrier through our USKBTC Charitable Funds Kerry It Forward Award. Since 2010, we have had 31 Kerries receive the KIF Award. Below are some of our past recipients. If you have a Kerry who contributes to the Kerry-Humanitarian bond, or as a member, you are aware of a Kerry who does, please consider honoring its work. Contact me at drlane@mackenziesteel.com or any USKBTC board member for more information.

United States Kerry Blue Terrier Club Inaugural KerryFest 2017

“Neither snow nor rain nor heat nor gloom of night... The mailman has nothing on dog show enthusiasts especially if they are traveling to a specialty!”

Purina Farm in Grey Summit, Mo. was the place to be during the first week in May. The weather was the worst with flooding, closed roads and canceled hotel room reservations. Everybody downloaded the MODOT app on their cell phones just to check closures and accidents. Exhibitors and fanciers alike made it safely in to celebrate the Cairn Terrier Club of America's Centennial and to participate in the United States Kerry Blue Terrier Club's inaugural KerryFest. This event featured the US designated specialty, a concurrent specialty, Challenge of Champions, the Kerry Blue Terrier Club of St. Louis' specialties and Barn Hunt trials. A little something for everyone.

The sun managed to shine on Friday morning as the KBTC of St. Louis hosted the first specialty. Judge Robert Hutton took a liking to Jamie and Carl Ashby's lovely HOTLICH'S SUNGODDESS AT BLUJAC RATN for Best of Breed. Best of Opposite was Conor McFadden's CH

IRISBLU JACK OF DIAMONDS. Best of Winners was Lois and Ted Grier's KRISMA'S DREAM ON DESIVE. Mr. Hutton chose GCH CH BLUEBEARD'S BAILEY owned by Larry and Carol Brown and Linda Pheasant and GCHS KRISMA'S XMAN FIRST CLASS owned by Lois and Ted Grier as his Select entrants.

Award of Merits were given to CH TRUE BLUE PINK'S HART, Elaine Randall and CH BLUJAC'S AWESOMELY IRISH, Jamie and Carl Ashby.

Friday evening held excitement and anticipation in the air. After a buffet dinner and cocktails eleven dogs were called to the ring for the USKBTC's premier Challenge of Champions. Ms. Anne Katona (USA), Ms. Marie Hogarty (Ireland) and Mr. Steven Schellenberg (USA) had the honors of judging three dogs at a time. As the examination was being conducted in the ring, the audience also had the opportunity to cast their votes for the "People's Choice" award. The end of this wonderful evening found Lois and Ted Grier's Xavier, GCHS KRISMA'S XMAN FIRST CLASS gaiting out of the ring with the Best of Breed ribbon. A well deserved Best of Opposite was Craig and Reita Nicholson's Ziva, AKC GCH / UKC URO1 CH KERRISEL'S FIGHT LIKE A GIRL, CGCA. This beautiful girl was also voted as the People's Choice!

Saturday was a very busy day with two specialties. In the morning, the USKBTC's designated specialty took place with judge Ms. Georgianne Lorentz-Reiling in charge. Her choice for Best of Breed: CH TRUE BLUE PINK'S HART and Elaine Randall. Best of Opposite: HOTLICH'S SUNGODDESS AT BLUJAC RATN and Jamie and Carl Ashby. Best of Winners: BELTANE'S AIN'T MISBEHAVIN' AT LINDMAR and Lindy Hickey. Select Dog: CH BLUJAC'S AWESOMELY IRISH, Jamie and Carl Ashby. Select Bitch: GCH CH BLUEBEARD'S BAILEY, Larry and Carol Brown and Linda Pheasant. Award of Merit: GCH GOODSPICE BRODY KNIGHT, Christine Brill-Packard.

Sweepstakes judge, Ms. Terese Worful chose KRISMA'S DREAM ON DESIVE as her Best in Sweeps and HOTLICK'S PANDEMONIUM and Kathryn Metke as Best of Opposite.

A few hours later, the USKBTC concurrent specialty began as judge Ms. Monica Adair called the first class into the ring. She fancied CH IRISBLU JACK OF DIAMONDS and Conor McFadden as her Best of Breed. GCH CH BLUEBEARD'S BAILEY, Larry and Carol Brown and Linda Pheasant went Best of Opposite. Best of Winners and New Champion: SUNFLOWERBLU TIN GOOSE and Julee Manahan. Select Dog: GAELGORM SHADES OF DARKNESS and Ursula Sass and Donald Wilde. Award of Merits: GCH CH BLUEBEARDS BARNUM and Larry and Carol Brown and Linda Pheasant and GCHS KRISMA'S XMAN FIRST CLASS and Lois and Ted Grier.

Later that evening a gathering at the Checkerboard Cafe found Kerry folks happily talking about the day and who won the Kentucky Derby! We were able to catch up with Barn Hunt and get the low-down on the rat pack...

USKBTC's inaugural KerryFest Barn Hunt was held in partnership with the Cairn Terrier Club of America and the Missouri Canine Athletic Club. The trial filled quickly, and there were lots of Cairns and Kerries to be seen enjoying hunting for rats in tubes! The sixteen Kerries entered represented all of the barn hunt classes; Instinct, Novice, Open, Senior and Master. Some were first timers! Barn Hunt Judges Mary Newman and Bonnie Gutzwiller set up fun and challenging courses to try. We were fortunate to have sunshine after a week of rainy weather in the area, but the wind proved to be a limiting factor to many of the dogs in their efforts scenting for the rat tubes. The Kerries had numerous special awards donated for the 4 trials. The Kerry Blue Terrier Club of St. Louis donated trophies from Fern Rogers Estate on Friday and the USKBTC offered medallions and a gift bag of prizes on Saturday for the high scoring Kerry in each class. A Dead Rat

Award for slowest qualifying Kerry and Perfect Run Weekend ribbons were also offered by Terry Worful and the Kerry Blue Terrier Club of Michigan. David Poynter sponsored two exquisite etched wooden plaques that were awarded at the club's Saturday night get together. The highest scoring Novice/Open Kerry over all 4 trials was awarded the Oak plaque, which went to "Blaise" Valtera's Let's Make Magic, RATN (owned by Michael Przybylo). The highest scoring Senior/Masters Kerry over all 4 trials was awarded the Cherry plaque, which went to "Ross" GCH Valtera's Lord of Castle RATCHX2, CZ8S (owned by Michelle Mills, handled by Tenille Gross). Other Kerries qualifying over the weekend included Abbey, Xena, Runner, Breanna and Sunshine. The dogs and handlers all had so much fun that the USKBTC is already planning to a repeat barn hunt on Saturday and Sunday next year at KerryFest.

Sunday the Kerry Blue Terrier Club of St. Louis held their second specialty starting with judge Ms. Karen Hynek taking her job as sweeps judge seriously. Best in Sweeps went to KRISMA'S DREAM ON DESIVE and Lois and Ted Grier. Best of Opposite in Sweeps was KRISMA'S FIRST CLASS PLAYER and Jinece Rees and Lois and Ted Grier.

Judge Mrs. Carol Jean Nelson thought the Grier's GCHS KRISMA'S XMAN FIRST CLASS bested the bunch for Best of Breed. Best of Opposite: HOTLICH'S SUNGODDESS AT BLUJAC RATN, Carl and Jamie Ashby. Best of Winners: KRISMA'S DREAM ON DESIVE, Lois and Ted Grier. Select Dog: CH TRUE BLUE PINK'S HART, Elaine Randall. Select Bitch: CH KRISMA'S MYSTIC ABBEYLARA, Lois and Ted Grier. Award of Merits: GAELGORM SHADES OF DARKNESS, Ursula Sass and Donald Wilde and CH BLUJAC'S AWESOMELY IRISH Carl and Jamie Ashby.

Plans are already in the works for 2018 and promises to be bigger and better. Congratulations to all of the winners and to all involved in planning a successful KerryFest!

A Word from Charitable Funds...

The USKBTC Board of Governors established the US Kerry Blue Charitable Funds, Inc. in 2002, a 501(c)(3) non-profit under the U.S. Internal Revenue Code. The USKBTC is the official organization recognized by the AKC with responsibility for protecting and promoting the Kerry Blue terrier in the United States. Establishment of the Fund occurred after a lengthy and thorough evaluation of the status of the breed in the U.S. and the recognition that strategies were needed to ensure the long-term well-being of the Kerry Blue terrier.

The goal of the Fund is to provide, in perpetuity, a safe, secure means for breeders, exhibitors, owners and friends to contribute financial support for Kerry Blue Terriers. The Fund is independent of the USKBTC Board of Governors, but linked to our governing board through interlocking directorates. This arrangement assures that Charitable Funds will be a permanent giving option to the Kerry fancy, but will be buffered from the ebb and flow of fancier personalities and politics.

There are four active funds to serve the Kerry Blue Terrier in the Charitable Funds portfolio:

- 1) Rescue Fund** – this fund supports grants used to provide Kerry Blue Terrier rescue services.
- 2) Health and Genetics Fund** - this fund makes grants in support of research in areas of health and genetics of particular importance to the Kerry Blue Terrier.
- 3) Education Fund** – the education fund supports education of all those interested in the Kerry Blue Terrier including publications, websites, and seminars.
- 4) General Fund** – donations to this fund are used to support the work of the other funds through internal grants to those funds. Undesignated gifts will initially be held in this fund.

Since Charitable Funds was established, those who love this breed have worked diligently to build its assets. The USKBTC undertook major support of the PNA Research being done at the University of Missouri, and contributors finally received welcome news of a test for this dreaded disease. To date we have awarded over \$20,000 in grants to support Health and Genetics, Education, and Rescue ~ all thanks to your donations.

We believe there is much still to be done. While we know the Kerry as a healthy breed, we also know those who have lost a Kerry to cancer. We hope to make a difference going forward through joint efforts with genetics laboratories and research facilities. Helping the Kerry Blue flourish is still the #1 goal of Charitable Funds.

Our committee has many goals. The first is to communicate more efficiently through a newsletter posted to the USKBTC website on a monthly basis and emailed to those wishing to receive it, informing all about where donations are being utilized. We must also grow our financial resources substantially in order to have meaningful impact. Please consider ways you can help ~ whether through bake sales at dog shows, using AMAZON Smile, purchasing CF logo items on the website, or generous donations when you renew club dues. EVERY donation makes a difference for our Kerry blues that never stop giving to us!

We believe the real key to long term growth will be planned giving that includes the Funds in the wills of our members. Other comparable organizations have used this method as the key to growing their assets. You can help by considering making the Funds one of the recipients of your estate. In addition, support an area of interest today. We have grown our asset base through small gifts and that will be crucial to our future.

Feel free to contact any Board member for more information on how **you** can help Charitable Funds make a real difference!

LEPTOSPIROSIS

Dr Yvonne Costa D.V.M.

Leptospirosis is a disease process affecting all mammalian species and found on all continents of the world. It is important to have awareness of this illness as it not only causes life threatening disease in dogs, but it can also be transmitted to humans which poses a public health concern.

In this article I will touch upon the clinical signs, treatment options and preventative measures that can be taken concerning this disease.

Leptospirosis is caused by the bacteria *leptospira*, of which hundreds of different strains exist.

In the U.S. there are four that have been identified as being the main cause of disease. The bacteria is most present in water and soil, with a higher incidence in areas that are warmer and that have a higher annual rainfall.

The disease affects all breeds and all ages of dogs. Initially it was reported to affect mostly sporting, herding and working dogs, but now it is seen in higher numbers in smaller breeds including the toy breeds. Urban areas seem to have a higher risk of disease than rural ones. Raccoon, rats and bats seem to be the primary hosts, bringing the bacteria to the more developed areas.

The bacteria is passed through the urine of hosts, and the dogs become infected when the organism enters the body through broken skin or mucosa. Coming into contact with infected urine, urine contaminated soil, water, bedding or food can cause a dog to contract the disease. In addition, eating a contaminated carcass or less commonly, through breeding, transmission can occur. An infected bitch can also transmit the bacteria to its fetus. Other risk factors include drinking from rivers, lakes and ponds, and contact with rodents and other wild animals.

The leptospira organism has an affinity for the kidneys, but can also affect the liver, eyes, intestines, nervous system, vascular system, spleen, lungs and genital tract. Consequently the clinical signs displayed by an infected dog pertain to injury to one or any of these organ systems. The degree and severity of signs varies anywhere from none to death. Some dogs will show no signs, overcoming the infection through their own immune system with no treatment necessary. Others will have mild disease with non-specific signs, such as a transient lack of appetite and lethargy. There will be others, however, that will get a more severe illness and will show the following signs: vomiting, diarrhea, lack of appetite, dehydration, lethargy, fever, shivering, muscle tenderness, painful swelling of the eyes, increased drinking, increased urination, trouble breathing, pale and yellow mucous membranes. Bleeding disorders can also occur and will result in blood tinged urine, saliva and stool, nosebleeds and tiny pinpoint red dots on the gums.

Progression of the disease can lead to kidney failure with or without liver failure and death.

Diagnosis of the disease requires a visit to the veterinarian and the performance of multiple tests. These may include blood and urine tests, radiographs and possibly ultrasounds of the chest and abdomen. Testing may be extensive and costly, but necessary for the well-being of the dog.

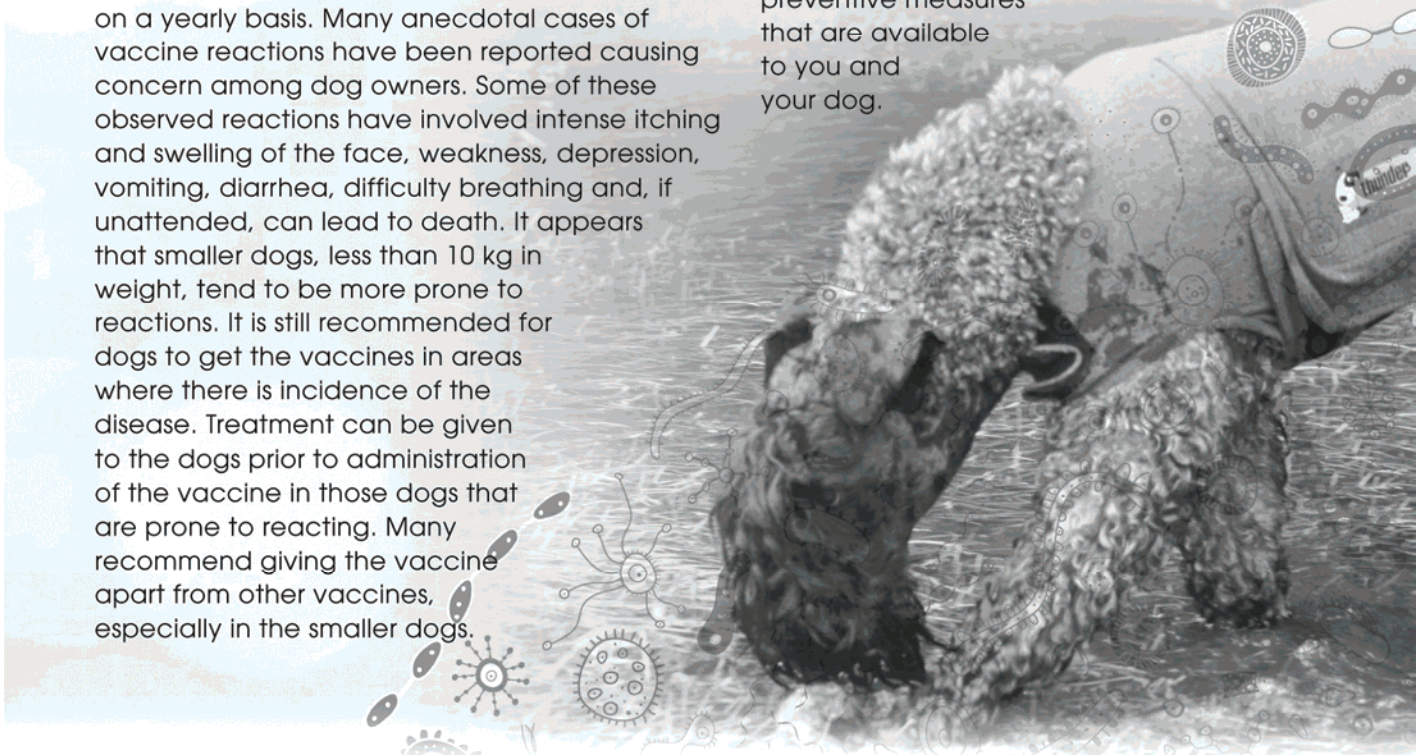

Once a diagnosis has been made, aggressive therapy needs to be instituted. The earlier the initiation of treatment, the better chance of a full recovery. Mortality rates are in the range of 10-30% with moderate to severe disease, so early and aggressive treatment is important. In most cases treatment will involve hospitalization with fluid therapy, antibiotics and other forms of supportive care. It must be noted, that even with successful treatment, residual kidney and/or liver damage can remain with the dog for life.

Prevention of the disease can be achieved through vaccinations. Inoculating the dog with all four strains of the bacteria is recommended on a yearly basis. Many anecdotal cases of vaccine reactions have been reported causing concern among dog owners. Some of these observed reactions have involved intense itching and swelling of the face, weakness, depression, vomiting, diarrhea, difficulty breathing and, if unattended, can lead to death. It appears that smaller dogs, less than 10 kg in weight, tend to be more prone to reactions. It is still recommended for dogs to get the vaccines in areas where there is incidence of the disease. Treatment can be given to the dogs prior to administration of the vaccine in those dogs that are prone to reacting. Many recommend giving the vaccine apart from other vaccines, especially in the smaller dogs.

Even though transmission to humans is low, if your dog has been diagnosed with leptospirosis, it is recommended that certain cautionary steps be taken.

1. Administer the antibiotics and medicines as directed and until fully completed..
2. Avoid contact with the dog's urine, feces and saliva.
3. If the dog urinates inside the house, clean immediately with a household disinfectant using gloves.
4. Wash hands after handling the dog.
5. Prevent the dog from urinating near water sources where other dogs may swim or drink from.
6. If you are pregnant or immunosuppressed, talk to your doctor.

Leptospirosis is a bacterium that can cause severe illness in dogs and that may be more pervasive and present in your area than we might think of. Please consult with your veterinarian about the options and preventive measures that are available to you and your dog.

Summer Water Dangers for Dogs

Dr Yvonne Costa D.V.M.

Summer season is upon us and with it comes swimming time! Swimming is not only a fun activity but it also provides an excellent way for your dog to exercise without placing much stress on his muscles and joints. Swimming, however, does not come without risks. In this article I will highlight some important risk factors associated with swimming and the measures you can take to avoid them.

Surface scum of blue-green algae along a lake shoreline

One of the greatest dangers to swimming in ponds and lakes is an organism called cyanobacteria, also known as blue green algae.

This algae grows in ponds, lakes and anywhere stagnant water is found. Areas of water that receive run off from fertilized fields seem to have the greatest concentration. It is found

throughout the U.S. and also has worldwide distribution. This organism grows best in warmer climates so concentrations increase in the summer and early fall seasons. The algae can look like spilled green blue paint or green pea soup. The color can at times look red or brown and have the appearance of mats floating in the water. These mats can wash up on shorelines and look foamy.

At greatest risk for toxicity are dogs that enjoy swimming, and hunting dogs. Exposure occurs when dogs drink the water, eat washed up mats or groom their furs and paws after swimming. The degree of toxicity depends on the level of toxins in the algae, the amount ingested, and the size of the dog.

There are two types of toxins these organisms produce. One affects the liver and the other affects the nervous system. The onset of signs with the liver toxins can occur within the first few hours after ingestion. These signs include vomiting, diarrhea, lack of appetite, distended and painful abdomen, lethargy, weakness and yellow or bluish discoloration of gums. Death can occur 12-24 hours after exposure. Only a few mouthfuls need to be ingested to produce the above clinical signs.

The onset of signs for the nervous system toxins occur within 30-60 minutes after ingestion. These signs include weakness, lethargy, stumbling, muscle rigidity and trembling, depression, disorientation, paralysis, excessive salivation, seizures and difficulty breathing. Death can occur within minutes to hours after ingestion and will result from paralysis of the muscles that assist breathing.

Treatment for toxicity is not very successful, as the onset and progression of clinical signs occurs very rapidly. Treatment is best if it is instituted before the onset of signs. There is no antidote and prognosis is very poor once the signs have begun. Consult your veterinarian immediately if you believe your dog has been exposed to the algae.

Prevention is key to keeping your dog safe. Keep your dog away from bodies of water that contain the algae. Keeping your dogs leashed while walking along shorelines will allow you to prevent them from drinking the contaminated water or eating the mats. If you think your dog has been exposed to contaminated water, prevent them from licking their paws or coat and immediately rinse them off with fresh water or rub them down with a towel. Since these algae is also toxic to people, make sure to rinse hands off immediately after handling your dog.

Blue green alga is not the only health risk associated with swimming. Drinking lake and pond water exposes your pet to organisms and bacteria that can be harmful.

Leptospirosis is one of those organisms found in marshy or muddy water. Ask your veterinarian about the vaccine that is available to prevent against this disease. Giardia is another organism found in bodies of fresh water. The main clinical sign of this bacterium is diarrhea with occasional vomiting. If you suspect your dog has contracted giardiasis, contact your vet who can run a fecal test to confirm infection.

Besides the organisms mentioned above, common sense has to be exercised when taking your dog for a swim. Not all dogs are natural swimmers and life vests have to be provided for the safety of those that do not swim. When swimming in oceans or large bodies of water, be aware that large waves and undercurrents can

pose a hazard to the safety of your dog. Here are some other safety tips for your dog on swim day:

1. Apply sunscreen: dogs with light colored skin and thin coats can get sunburned.
2. Always rinse your dog thoroughly with clean water after every swim.
3. Bring fresh water to drink to decrease the amount he or she will consume from the lake or pond.
4. Clean and dry the ears thoroughly after every swim to prevent ear infections.
5. Dogs get tired from swimming but will not tire of going after the ball or frisbee being thrown into the water. Make sure to stop when you see

Blue-green alga bloom on a lake

your dog getting tired. You want to make sure that your dog will be able to make it back to the shore or boat.

Many dogs love to swim and it is an activity to be encouraged as it provides great form of exercise and just plain fun. Just make sure to exercise safety measures and to be cognizant of some the risks above mentioned. Have a great summer!

Montgomery Terrier Performance Events - October 2-5, 2017

In The Net, Palmyra, PA www.inthenet.com

Ample Crating Space, 90 mi. West of Philadelphia close to Harrisburg/Hershey, PA

REGISTER OF MERIT POLICY

The title of Register of Merit shall be awarded annually to the sire that has produced five AKC champions or four champions and a fifth published AKC titled get, and to the dam that has produced three AKC champions or two champions and a third published AKC titled get.

(This is for a ROM completed between January 1, 2016 and December 31, 2016)

.....

Those dogs that have made an outstanding contribution to the breed will be given special recognition. Two additional levels of achievement may be attained:

Gold Rom Sire of 40 AKC titled get or the Dam of 15 AKC titled get

Silver Rom Sire of 25 AKC titled get or the Dam of 10 AKC titled get

A plaque will be awarded to the owner at the Montgomery Annual Dinner.

.....

All awards may only be requested by current USKBTC members.

*****Completed ROM Form must be received by August 1, 2017*****

MAIL TO:

Heidi Cregor
1373 Kukana Place
Kailua, HI 96734

Support the 2017 Montgomery Trophy Fund Drive!

Help support the trophy donation fund for our annual specialty weekend! These donations pay for the trophies and rosettes offered at the USKBTC Concurrent Specialty, the Devon show, the USKBTC Sweepstakes and the National specialty at Montgomery (over 80 trophies and 100 rosettes). There are three easy ways you can donate:

E-MAIL your name, address, phone number and pledge amount to scotkell@aol.com. Or **SEND** your check, made payable to USKBTC, to: Scott Kellogg, 3636 S. Mountain Road, Knoxville, MD 21758. Or you can make a donation **ONLINE** by going to www.uskbtc.com, clicking on the "donations" tab at the top; clicking on "make a donation online", then clicking on "Montgomery trophies." All donors names will be listed in the Montgomery catalog and also in Blueprints.

Again this year, we have a special category of "Dedication Contributions." A \$100 donation will sponsor a class first prize at the Montgomery specialty. You may dedicate your donation to a favorite dog, admired show dog, past or present mentor, special Kerry person, etc. There are twelve classes to cover at the Montgomery show. Dedications will be listed in the Montgomery catalog.

The deadline for trophy donations is July 31st.

BREAKING NEWS!!!

It is time for the USKBTC Chapter Club Challenge!

Don't miss out on the fun! Each chapter club is challenged to make a basket filled with items from their area to be auctioned off at the Annual Dinner held on Friday, October 6, 2017. The more unique the items are in the basket, the more fun to auction off.

All money raised goes to the USKBTC General Fund and Charitable Funds. If no one from your club is attending the dinner you may send your donations to

George Hanna, 74 US Hwy 80 E, Ellabell, GA 31308 and they will transport them to the dinner.

All items must be received by September 22nd.

Questions? Call George Hanna at 912/202-0678 or
Email: georgewhanna@msn.com.

Will YOUR club will have the most unique basket this year?
Don't let your club be left out of the fun!!!!

Montgomery Weekend Directions

Hatboro Shows Thursday & Friday

From PA Turnpike (I-276) East or West: Exit 343
Take Route 611 North to Route 202 North.
Follow Route 202 North to Route 413 South.
Follow Route 413 South to Penn's Park Road.
Turn Right on Penn's Park Road.
Middletown Grange Fargrounds is located on your left.

From PA Turnpike (I-276) East of West: Exit 351

Option #1

Stay to the left after toll booth onto Route 1 North.
(Stay on Route 1 North- NOT Business route 1) to I-95 North.
Take I-95 North to Exit 49.

Take Route 332 West for 3 miles to Route 413 North.
Follow route 413 North 5 miles to Penn's Park Road.
Turn Left on Penn's Park Road.
Middletown Grange Fargrounds is on your left.

Option #2

Stay to the left after toll booth onto Route 1 North
Exit Route 1 at Route 413 North.

Follow Route 413 North through Langhorne past Saint Mary Hospital.
Continue to follow signs for Route 413 North.

(You will need to make a left at a major intersection to stay on Route 413 North.)

Stay on Route 413 North and you will pass intersections for Route 532 and then Route 332.

Approximately 1/2 mile after Route 332, you will make a right to continue on Route 413 North.

After approximately another 1.2 mile, make a left to continue on Route 413 North (Durham Road).

Go approximately 3-4 miles and make a left onto Penn's Park Road and the show site on the left.

Leave early and arrive early to avoid back-ups at the gate. Allow extra travel time due to heavy local rush hour traffic and construction. There will be no "Dog Show" signs posted due to local ordinances.

Devon Show Saturday

From Exit 312 PA Turnpike (I-276)
Downtown.
Follow Route 100 North to Ludwigs
Corner show site on the left, after you
cross Route 410.
Allow 60 minutes for travel.

USKBTC Futurity & Maturity Kerry Blue Boutique

Saturday 2:00 PM
***NOTE:** This event will take place at the
Montgomery Kennel Club Show site.

Montgomery County Show Sunday USKBTC

Sweepstakes & Specialty

From Exit 339 PA Turnpike (I-276)
Route 309 North to Norristown Rd./
Springhouse Exit.
Make left at light at the end of the exit
ramp onto Summeytown Pike (towards
Springhouse)
Cross Bethlehem Pike (Third light)
and continue **PAST** Gwynedd Mercy
College to 202 South (Dekalb Pike)
Continue on 202 South past Morris
Road. Show site is on the left.

Spring Mill Country Club Friday USKBTC Meeting - 6:00 PM Cocktails & Dinner - 7:00 PM

2016 Kerry It Forward Award
Page 2 of 2

Categories of Awards:

1. Category 1 -Service Dog:

Service or assistance dogs are trained to assist individuals with meeting special needs on a daily basis; these needs can be physical, psychological and/or emotional; examples include hearing, sight service dogs and alert response dogs who alert their human companions to seizures and other medical emergencies;

2. Category 2 -Therapy Dog:

Therapy dogs are trained to provide care and comfort to patients and residents in medical care facilities, retirement communities and shelters; Examples include retirement communities; senior centers; veterans homes, military hospitals; healthcare facilities, hospitals, hospice and medical care facilities; children's hospitals, rehabilitation centers such as shelters for homeless, battered women and children; military and veterans hospitals and recovery centers for wounded soldiers.

3. Category 3 -Educational Service/Therapy Dog :

Educational Service Dogs or therapy dogs work with children in public and private schools in academic and special needs areas; Programs can include but are not limited to the Bite Avoidance programs in schools and organizations such as The Boys and Girls Clubs; Canine-Assisted Reading Programs in Schools and Libraries; Safety School Crossing Program; Programs include Kerries teaching children how to interact with dogs and build a positive relationship with dogs;

4. Category 4 -Exemplary Companion Dog /Act of Exemplary Performance:

The Exemplary Companion Dog is the Kerry who has performed a one time event of an exemplary act, contributed to others or a Kerry who has exhibited companionship to an individual under exemplary circumstances (Example: saving family members from a fire in the home or acted as a companion to a person who is terminally ill;) Other examples of exemplary performance include Kerries who serve in search and rescue, or work with military, firefighters and police in security and rescue.

Award Criteria:

1. The dog must be a purebred Kerry Blue Terrier;
2. The dog must be nominated by a member of the USKBTC to receive the award/recognition; the owner(s) of the dog does not need to be a member of the USKBTC to receive the award/recognition;

Award:

- Each qualified recipient who contributes in one area receives a Level I Certificate and Medallion; Contributions in two areas received a Level II Certificate and Medallion and those who contribute in three areas receive a Level III Certificate and Medallion.

Recognition:

- Each recipient will be recognized in Blueprints; on the USKBTC website, and at their local specialty of choice, if desired and requested.

Thank you for your service to our wonderful Kerry Community and to our beloved breed for their contributions.

Breeder(s) _____

The above named Kerry Blue Terrier earned the following title(s):

Discipline (minimum title requirements)	Title(s) Earned
Agility (AKC NA/NAJ or NAP/NJP)	
Conformation (AKC CH)	
Earth/Hunting Dog (BHA RATN or AWT A HC)	
Herding (AKC HT or PT, or AHBA HCT)	
Obedience (AKC CD)	
Rally (AKC RN)	
Tracking (AKC TD)	
Miscellaneous/Other*	

* one novice-level or above performance title from a category not already listed, and subject to approval; e.g., flyball, AKC coursing ability, canine nosework, dock diving, etc., may be used for one of the eight award levels

Have you included copies of any earned titles (i.e., non-AKC), as needed for verification? _____

Have you included comments telling us something about your dog? _____ The Club would like to include comments (subject to editing) along with photos (as space allows) in *Blueprints* honoring our awardees.

The Bronze Award is presented to the Kerry Blue Terrier earning titles in two different disciplines

The Silver Award is presented to the Kerry Blue Terrier earning titles in three different disciplines

The Gold Award is presented to the Kerry Blue Terrier earning titles in four different disciplines

The Platinum Award is presented to the Kerry Blue Terrier earning titles in five different disciplines

The Emerald Award is presented to the Kerry Blue Terrier earning titles in six different disciplines

The Diamond Award is presented to the Kerry Blue Terrier earning titles in seven different disciplines

The Blue Diamond Award is presented to the Kerry Blue Terrier earning titles in eight different disciplines.

Note: CGC, instinct tests, TDI, TT, service dog certifications with the exception of AKC's THD titles, etc., are not considered working discipline titles and therefore are not eligible for this award program. The USKBTC applauds any dog earning these certifications and will be happy to include them in your dog's name on the award.

_____ Household Associate outside US/Canada \$70 (Dues plus \$30 postage)	

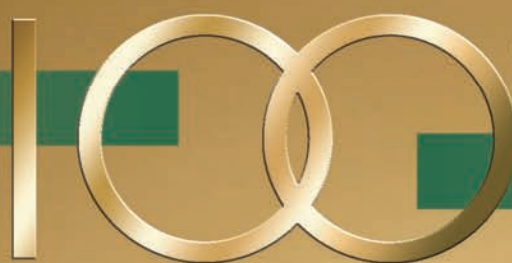

Application Process: Notice of your application will be published in the next issue of BluePrints. Thirty days after publication, your application and any member comments will be submitted to the Board of Governors. You will be notified in writing of the Board's action. This membership process can take up to six months or more, due to the fact that Blueprints is published three times a year. Please be patient. Note that your check may be cashed prior to your being elected to membership. This does not mean you were automatically elected to membership. If for any reason you are not elected to membership, your application fee will be refunded.

ATTENTION BREEDERS: NEW puppy owners are eligible to receive BluePrints free for one year by filling out the application and submitting it to the membership chair. Please make sure you the breeder, signs the application. It is our hope that this will encourage new people to become active in the breed and continue their membership.

Submit Application to: Mary McGreevy, Membership Chair, 25 New Castle Drive, Charles Town, WV 25414, Phone 681-252-0816, Email: MKerryblue@aol.com

FELLBRIN

TH

CHAMPION

Honoring 60+ Years of Excellence in Breeding

Champion Fellbrin's Beginnegan

Ch Fellbrin's I'm Already There x Ch GCH Tontine's Remember Me.

Thank you, Fern Rogers, for your dedication
and commitment to this wonderful breed.

Thank you especially for your friendship and patient mentoring
and for the honor of showing and co-owning this wonderful Kerry.

BREEDER: Robert W Caspers.

OWNER: Fern R Rogers & Robert W Caspers.

BRODY

GCH GOODSPICE BRODY KNIGHT

Sire: Kerigolf's Christmas Knight
Dam: Goodspice Blueberry Scout

Lynn Duckett said it took her "30 years to breed the perfect coat and Brody has it". She was so thrilled with all of Brody's accomplishments!

Brody has a wonderful temperament and is fun to show, giving us so many memorable moments, especially his Best in Show under Judge Karen C. Wilson in 2015 and Select Dog at Montgomery October 2016 under Judge Bill McFadden.

Agility, obedience and lots of Frisbee throwing will continue Brody's summer fun.

We wish everyone a successful show season!

– Chris Brill-Packard & Keith Packard
