A few words from John

Go Raibh Maith Agat

In Irish, *go raibh maith agat*, means thank you. Saying thank you is one of the easiest President messages to write just so long as I do not leave anyone out, though I probably will. We have passed another Montgomery which

means another Board meeting, another annual dinner, another annual meeting and another National Specialty where our breed was on display. I want to thank a number of the people who made the entire weekend a special couple of days.

First, I have to thank the membership and general public for coming out and supporting the shows. This includes the conformation exhibitors as well as the performance exhibitors. It includes owners, breeders, spectators (both domestic and foreign), judges, Board members and many more. We filled the pavilion again at Hatboro for the National Sweeps on Friday and for the Futurity/Maturity on Saturday. On Sunday, the ring at Montgomery was four deep in places. The interest in Kerries has not waned.

Second, I want to thank our judges. Martha Nazak did a great job in the National Sweeps on Friday and graciously accepted the framed tribute to Bob Nazak during our National Specialty. Siobhan Mannion, Linda Lopez and Nanette Loya performed a bit of magic by making the Futurity/Maturity entries look like seasoned vets in the ring. We had three judges who knew how to handle the young dogs who are the future of our breed. Finally, thank you to Mrs. Michele Billings who pulled an excellent entry and who got us through the judging even as the temperature climbed.

I want to thank our coordinators of the weekend events. Ann Marie Flynn Fierke must be thanked for putting together the dinner reservations for us and working the door even though feeling under the weather. Carol Wert and Ernie Conti again did an excellent job in putting together the Futurity/Maturity event and catalog. There was coordination of the entries, awards and pictures. Ernie has learned a lot for when he takes this responsibility over from Carol next year. Jamie Ashby coordinated the boutique on Saturday as well. Great job. Bill Kearney was the one who coordinated all the club needs with Hatboro on Friday and Saturday and with Montgomery on Sunday. Scott Kellogg was able to get great looking trophies again this year. Thank you both.

This brings me to the events at the dinner on Friday night. Jamie Ashby and Bonnie Whelehan kept me on time and told me what to do. Would I think to question anything they asked of me or said? Not if my life depended on it. Thank you both. Lisa Frankland prepared and assisted me in handing out all of the ROM awards. Thank you Lisa. Not only was Nanette Loya one of our Futurity/Maturity judges but she did the picture for the Futurity which we auctioned at the dinner. She did not stop there. She did a second picture that was donated to the club and auctioned as well. Can't thank you enough Nanette. Now for the baskets. How many people did not know by the weekend that Stephanie Clark was pushing to get Chapter Clubs to donate baskets and that the winning Chapter Club got a prize? Everyone knew? I thought so. Here is a special thank you to Stephanie for pushing and prodding. I am giving a big shout out thank you to the Chapter Clubs who donated baskets. Between Nanette's art work and the baskets we had an excellent take. The Michigan club particularly out did themselves and their basket (which was in a wheel cover for a car) received the highest bid. Thank you.

Finally I have a couple of miscellaneous people who I wish to thank. I have to thank Stephanie again for posting the results almost instantaneously during the weekend. That was great for the people at home. Speaking of the people at home, I want to thank all of the people who could not make it to the show site but who supported our exhibitors and most of all our beautiful Kerry Blue Terriers who were shown on the weekend. Without that support, it just wouldn't be Montgomery weekend.

So thank you everyone and if I left you out it wasn't intentional. I will leave you with another way to say thank you in Irish. *Go méadaí Dia do stór!* - - May God increase your fortune / wealth. If by wealth you mean money, you surely don't say that to a KBT owner.

Thank you.

To The Membership:

The purpose of publishing the "Proposed Member" is to give the membership the opportunity to review applicants and comment, if they so desire, in support of, or opposition to, said applicants membership. Correspondence in support of and/or opposition to the membership, should be directed to the Membership Chair within 30 days after publication of said applicant. A Letter from the Editor...

As another show season stretches out and slows down and the holidays approach, I look back on yet another busy year as your Blueprints Editor. It's hard to realize that I've been doing this job for six years. Time flies! Just as I did in the beginning, I still depend on all of you to send your chapter club show in photos for Gallery of Winners, reports of club activities and events, and suggestions for articles. It's because of one of those suggestions that you now hold the 2011 Stud Dog Showcase. I hope everyone enjoys it, and will refer to it often!

Once again I am happy to report that there was terrific dog showing weather at the shows surrounding Montgomery County weekend: clear, cool, and most importantly to many people - dry for the end of the week! Yes, the show sites were muddy because of the weeks of rain in the Philadelphia area in weeks leading up to Montgomery weekend. But there was no rain while we were there. YEAH! Here's hoping that next year will bring more of that same weather for all concerned.

You will find dues reminders in this issue, and notices will soon be arriving in the mail. I would ask everyone to make a note of ALL corrections when you send in your dues in January, and be **especially** diligent if you pay your dues online. We make every effort to be accurate when publishing the roster, but cannot do that if we aren't notified about changes. If contact information needs to be updated before your dues payment, please email your changes to Stephanie Clark (address below), Carol Kearney and to me. And just as a reminder, please remember to send show information and notices of new litters to Carol Kearney for our website.

Finally, I once again want to encourage everyone to get out and get involved with your Kerry: volunteer at a school, visit nursing homes, take obedience classes or show in conformation, or just take a walk. Every well behaved Kerry is an ambassador for the breed, and we need you! Until next time. . .

Recognizing Our Trophy Donors...

The United States Kerry Blue Terrier Club would like to extend a huge thank you to all our trophy donors for the 2011 Montgomery County Specialty weekend. We had beautiful trophies and rosettes; without your support, it wouldn't have been possible. Also, a special thank you to everyone who helped to sell raffle tickets. Please continue your support in 2012!

Spotlight on our future. . .

When I first started showing dogs, I never thought I would be showing and breeding Kerries. I got started in beagles and was very successful with my little 13" bitch named Lilly (CH Brushyrun's Felty's Piccalilli). In 2006 I did a lot of winning with Lilly and decided I needed to retire her as she was 9 and starting to show her age. Joy Ellwanger approached me about showing Athena (GCH Adare's the Right Answer. I was intrigued about the fact that not many juniors show Kerries in juniors. I took her to a match to see if she would show for me. We went Best Junior and I tried her at an all-breed show and won our class. I showed Athena at the garden in juniors in 2007.

I showed Athena here and there but really wasn't serious about showing kerries till 2008. Joy bred Athena and I was put on as co-breeder. My job was to do the noon time feeding and get them to walk on a leash. It was from that litter that I got Zeus and was starting to get serious about learning the finer details of presenting kerries. I started Showing Zeus in the Spring of 2008. Zeus was my project

dog so I did all the work on him including trimming. I also showed Zeus in Juniors that year. I was in Open Intermediate at that time. Zeus and I did some winning in Juniors but not a lot. I had fun with him in juniors but was having more fun showing him in the Bred-by class in the breed ring.

I had put on his points except his major on him that year from bred-by. All that year, I was saving up my money that I had earned grooming to get a Kerry of my own. I loved the look of the Wildside dogs. I wanted a Wildside puppy.

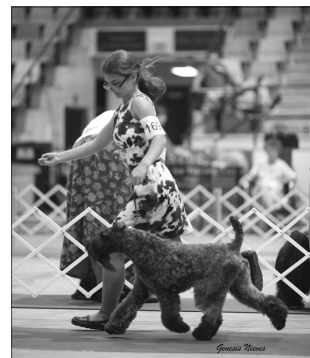

In 2009 I took Zeus down to the Brooksville, FL shows to try and get his last major. Diane Harrison was down there and saw my willingness to learn the breed and I was watching her dogs in the ring (what I could because we had dogs in the same classes.) About halfway through the show she offered to trim Athena in return that I would

wash her dogs if I had won the breed the next day. Those of you who were at that show know what happened; I won the breed over a nice entry of specials with Athena the next day. I washed Diane's dogs and starting talking with her. I wanted someone to help me further in learning to trim. Joy had taught me all she had known. Diane did that. We went step by step while I trimmed her very pregnant trim (I learned how to fix toplines that day). It took me awhile but the end result was great. She also had a puppy bitch down there and she said if I wanted her I could have her. I learned even more about kerries that weekend and that breed win put me on the map. Zeus never did win a major down there but the trip was well worth it coming home with a couple of junior wins and that breed win.

I went back to Pennsylvania and continued to show the kerries. In April Diane sent the puppy bitch Shay (CH Wildside's Shameless) to me. In May I had quit assisting Heather Bremmer. I wasn't ready to work for another handler, but Andrew Green had offered me to

work for him over the summer. I wasn't going to the same show he was on Memorial Day weekend but I was going to the same show as Ernesto Lara. So I went to help Ernesto that weekend. After I worked that weekend I was exhausted but it wasn't as stressful as it was with Heather. He said that if I wanted to learn more, then I would need to work in his kennel as there was only so much he could teach me at shows. Thankfully the kennel was on the way to my mom's work so I started working in the kennel. I used what Ernesto had taught me to train Shay. I also waited till Shay was in good condition to show her. We decided to bring her out Montgomery weekend. She did very well in the sweeps and even won her class in the regular classes. It wasn't till after Montgomery that year that Shay and I really hit the rings hard. After a couple of weekends with no points, I showed Shay at the Middleburg shows. She went WB/BOS over her first of many Specials. At the Philadelphia

(Continued on page 9)

(Continued from page 8)

show she did it again and this time over top ranked specials. In early December

I tagged along with Ernesto to the Providence shows. Shay went WB/BOW two out of the three days and on the third day she went WB, gathering all her points except one. Diane was at those shows which made it even more special. The next weekend Shay went BOB over specials for her last point. I finished Shay all by myself. I also had qualified for the garden that year.

So in Feb 2010 Shay and I went to the Garden to compete in juniors. We didn't do anything but watching the video of the 2010 garden and the 2007 garden made me realize how much I had come in presenting the Kerry Blue. I truly loved this breed. I didn't show Shay so much in the breed as I focused on juniors that year. Shay and I were placing in the Open Senior classes most of the time and had garnered 9 wins. In October I took Shay to Montgomery. That year I had entered juniors as I had time to do it. I never did well at Montgomery until that year. I had gone Best Junior and the judge had commented on how well the dog and I had bonded and how well she was presented. That was one of my most favorite wins in juniors. Shay and I were on a roll after that and always placed till the end of the year when we went Best Junior ending 2010 on a good note.

In 2011 our winning streak continued with at least winning once a weekend. I had told Ernesto that I was only going to show two weekends a month because of school

and an increasing pain in my hip. In February Shay came in season so I decided to breed her. I brought Zeus back out to finish his grand Championship. In his first weekend out he won the breed and made the cut in the group. At the Harrisburg show he won the breed again over some top dogs. I also found out that the increasing pain in my hip was due to a tumor rubbing against the muscle and that it would have to be removed. The recovery time was 8 weeks. At the end of April, Shay had six beautiful puppies. I continued to show Zeus and by the end of May Zeus had twenty three points towards his Grand Championship completely Breeder/Owner/Handled. In June I had the surgery and that put me out till the last weekend of July. In Juniors I had five wins with Zeus and Shay at the time. My first weekend back Zeus took the breed two out of the three days gaining another single towards his GCH. The next weekend, my first time back in Juniors, Shay and I took Best Junior for win number five for the Garden. At the end of August, Zeus finished his GCH with a BOB and Group 3 under Candy Way and Joe Walton completely Breeder/Owner/Handled.

Next year is my last year in juniors as I age out in Dec 2012. I will continue to show a Kerry. Ernesto always said to me that I needed to show a dog how it wanted to be shown, not how I want to show it. It was the best advice he gave me and all my dogs will be shown like that. I will continue to breed Kerries with Diane and continue to work for Ernesto. I am very excited about a puppy that I have and hopefully next year I can add more Breeder/Owner/Handled Kerry Champions to my record.

2011 Kimberton All Terrier Agility Trial

This year Pennsylvania provided some of the best weather we have ever enjoyed at this trial. Something we were all grateful for considering we have slogged through rain and braved the heat in previous years. Our entry this year was a little smaller than we usually have. Ten dogs were entered of which eight ran. The following is a list of those who competed:

Novice A	Jaymo with Jim Ricketts
Novice B	Maeve with Carol Wert
Novice Pref	Belle with Carol Wert
Open	Zeus with Joy Ellwanger
Excellent A/Excellent B	Oscar with Jane Eno (Oscar titled in Ex A JWW and Moved up to B on Tues)
Excellent B	Jenny with Judy Ricketts
Excellent B	Topper with Patti Campbell
Excellent B	Birdie with Maggie Hall

Of these dogs Jaymo, Topper and Oscar were showing for their first time in Kimberton. It was a pleasure to see the caliber of the young Kerries starting their agility careers. They insure a sound future for Kerries in this sport.

For each day of the trial we award High Scoring for the Class dogs (Novice A/B, Open, ExcellentA), Preferred dogs and the Excellent B dogs. Scores are tabulated by taking their score and adding 1 point for each second under Standard Course Time. Novice, Open and Excellent A dogs can qualify with scores under 100. Excellent B dogs can only qualify with a score of 100.

Tuesdays High Scoring

Classes: Oscar with Jane Eno
Preferred: No Award
Excellent B: Birdie with Maggie Hall

Wednesday High Scoring

Classes: Jaymo with Jim Ricketts
Preferred: No Entry
Excellent B: Birdie with Maggie Hall

Thursday High Scoring

Classes: Zeus with Joy Ellwanger
Preferred: Belle with Carol Wert
Excellent B: Birdie with Maggie Hall

Friday High Scoring

Classes: No Award
Preferred: No Entry
Excellent B: Oscar with Jane Eno

High Overall is awarded at the end of the trial to the Class, Preferred and Excellent B dog with the highest total score for the four days.

Earning that honor for 2011:

Classes: Jaymo with Jim Ricketts
Preferred: Belle with Carol Wert
Excellent B: Birdie with Maggie Hall

In addition to these achievements we would like to congratulate the following dogs and their handlers who earned new titles during this years trial. Jaymo and Jim Ricketts NAJ (Nov A JWW), Jenny and Judy Ricketts XF (Excellent Fast), and Oscar and Jane Eno AXJ (Excellent A JWW).

Thursday's show was dedicated to the memory of Fred Fishell. Fred attended the Kimberton trial for many years coming for the last time in 2009.

Congratulations to all the dogs and their handlers on a strong showing in 2011!

1 cup milk
1/4 cup vegetable oil
1/2 teaspoon of salt

Preheat oven to 350° F. Combine flour, cornmeal, cheeses, and salt in large bowl. Add egg, oil and milk. Roll dough onto lightly floured surface to 1/2 inch thickness. Cut into strips, 1/2 inch by 3 inch and roll strip to make round. Take 2 strips and intertwine, pinching ends together. Place on ungreased cookie sheet. Bake 30-35 minutes. Cool and refrigerate in airtight container.

Carob Bon Bons

1 (12 oz) package of Carob Chips.
1 cup peanut butter
1 cup wheat germ

Melt carob chips in double boiler, or in a microwave safe cup on 50% power. Add peanut butter and wheat germ. Stir until mixture thickens enough to form a ball in your hand. (It may be necessary to cool mixture in refrigerator first). Form balls and roll or sprinkle with more wheat germ. Transfer to airtight container and refrigerate.

Kerry Blue Receives AKC Started Sheep Herding Title!

Congratulations to "Smokey", Ch. Topgun Great Balls of Fire RA, HRD, HTAD and owner Tracey Purcell, Breeder, Barbara Price, on achieving his AKC Started Sheep Herding Title with a 95 High in Trial against 23 dogs on Saturday and 22 dogs on Sunday in October in Olive Branch Mississippi.

Smokey went High In Trial both days October 8,9, beating 7 Border Collies, 3 Aussies, 2 Bouviers, 4 Shelties, 1 Belgian, 3 Collies, 2 Corgies and a Puli and that was just on Saturday! On Sunday Smokey scored a 94 going High in Trial and beat 5 Border Collies, 2 Aussies, 2 Bouviers, 4 Shelties, 1 Belgian, 3 Collies, 3 Corgies 1 Giant Schnauzer and 1 Puli.

Started Herding is the first AKC Herding Title and requires 3 legs under three different judges. The dog must receive a minimum score of 70 to pass and receive the leg toward the title. Smokey and Tracey and Smokey have already begun working ducks and cross driving sheep. They are working toward the AKC Started Duck Title next. If you are interested in learning more about sheep or instinct testing your Kerry, contact Jann Lane, USKBTC Sheep Herding email: drlane@mackenziesteel.com

The USKBTC-Charitable Funds
"Kerry It Forward Award"
In Recognition of Past and Present Kerry Blue Terriers'
Canine-Humanitarian Contribution to Society and to the Individual
By Jann Lane, Charitable Funds Board

To know a Kerry is to love a Kerry. But to be loved by a Kerry and be considered special by a Kerry is special indeed. Our breed contributes to our lives in many ways. Those Kerries who have chosen to "Kerry It Forward" and give back to society and to their owner in special ways have been recognized by the USKBTC Charitable Funds through the "Kerry It Forward" Award beginning fall of 2010.

In 2010, the USKBTC Charitable Funds recognized the Kerry Blue Terrier's third dimension, its heart, and our breed's contributions through the establishment of the "Kerry It Forward" Awards. Dimension One being structure; Dimension Two being performance.

Kerries involved in public service are most often the unsung heroes of our Kerry community. You may be familiar with their service in nursing homes, assisted living centers, and hospitals. However, Kerries are also teachers. Kerries go to schools, and can be found helping children learn to read, through canine-assisted reading programs, building self-confidence. As we honor the recipients of this award, you will also read about Kerries who have helped children safely cross the street on their way to school. Some Kerries are involved in other canine education programs, such as the Bite Prevention programs. Other Kerries have chosen a special mission and have intervened to save human lives. What are some of the ways that our dogs achieve this connection?

New Canine-Human Research: Research in human emotion has shown that our emotions appear on our faces from the right side to the left sides of our faces in split seconds of time, often up to 1/50 of a second. Recent research has shown that the dog is the only species that observes the human face from right to left, in reading our emotions. No other species' eyes' track our emotions as the canine does, from right to left. Not the Chimp, not the cat, not the horse. The canine "chose" mankind thousands of years ago and archeologists have found that that date may have been even earlier than we originally thought. They actively chose us. No other animal chose us for domestication. It is clear we have a partner for life in the canine.

Next time you look at your Kerry, look into his or her eyes. They are truly our partners in life.

As we honor these special Kerries in the years ahead, you will read about them, their journeys and how each has contributed to Society and to the Individual. We look forward to honoring them as much as you will enjoy reading about them. Thank you, to all Therapy and Service Kerries, past and present, for your service to our canine community.

If you are aware of a Kerry who meets the criteria listed below, and you are a USKBTC member, please consider nominating him or her. These special Kerries often do not seek recognition and owners may need your encouragement. This is our way of thanking them for their contributions. If you have questions, please feel free to contact me at the email listed (drlane@mackenziesteel.com) or any Charitable Funds board member for more information.

This award recognizes the canine-humanitarian contribution to society and the individual through the following award categories:

Category 1 Service Dog:

Service or assistance dogs are trained to assist individuals with meeting special needs on a daily basis; these needs can be physical, psychological and/or emotional; examples include hearing, sight service dogs and alert response dogs who alert their human companions to seizures and other medical emergencies;

Category 2 Therapy Dog:

Therapy dogs are trained to provide care and comfort to patients and residents in medical care facilities, retirement communities and shelters; Examples include retirement communities; senior centers; veterans homes, military hospitals; healthcare facilities, hospitals, hospice and medical care facilities; children's hospitals, rehabilitation centers such as shelters for homeless, battered women and children; military and veterans hospitals and recovery centers;

Category 3 Educational Service Dog (Therapy Dog):

Educational Service Dog works with children in public and private schools in academic and special needs areas; Programs can include but are not limited to the Bite Avoidance programs in schools and organizations such as The Boys and Girls Clubs; Canine-Assisted Reading Programs; Safety School Crossing Program; Programs include Kerries teaching children how to interact with dogs and build a positive relationship with dogs;

Category 4 Exemplary Companion Dog /Act of Exemplary Performance:

The Exemplary Companion Dog is the Kerry who has performed a one time event of an exemplary act, contributed to others or a Kerry who has exhibited companionship to an individual under exemplary circumstances (Example: saving family members from a fire in the home or acted as a companion to a person who is terminally ill;) Other examples of exemplary performance include Kerries who serve in search and rescue, or work with firefighters and police in security and rescue.

Award Criteria:

1. The dog must be a purebred Kerry Blue Terrier;
2. The dog must be nominated by a member of the USKBTC to receive the award/recognition; the owner (s) of the dog does not need to be a member of the USKBTC to receive the award/recognition;
3. For the first two years of the award, (2010-2012) AKC and other certification registry requirements for the applicant are waived; after which a minimum of AKC-PAL registration will be required; additional requirements for certification may be added per award category, as necessary.

Award:

- ◆ Each qualified recipient who contributes in one area receives a Certificate and Medallion;
- ◆ Each qualified recipient who contributes in two areas receives a Certificate and Medallion;
- ◆ Each qualified recipient who contributes in three areas or more receives a Certificate and Medallion

Recognition:

Each recipient will be recognized in Blueprints; on the USKBTC website, at Montgomery and their local specialty, if applicable.

Kerry It Forward Award Recipients 2011

Congratulations to the following Kerry Blue Terriers, their owners and breeders who have contributed to Society and the Individual by sharing the heart of the Kerry Blue, building the Canine-Humanitarian Bond. You will enjoy reading of each Kerries story, and their special gifts to humanity and seeing their photos in the next issue of Blueprints.

A Word from Charitable Funds...

As many of you know the US Kerry Blue Charitable Fund was established in 2002. Its purpose was to serve the Kerry Blue Terrier in four important areas:

- 1) **Rescue Fund** – this fund supports grants used to provide Kerry Blue Terrier rescue services.
- 2) **Health and Genetics Fund** - this fund makes grants in support of research in areas of health and genetics of particular importance to the Kerry Blue Terrier.
- 3) **Education Fund** – the education fund supports education of all those interested in the Kerry Blue Terrier including publications, websites, and seminars.
- 4) **General Fund** – donations to this fund are used to support the work of the other funds through internal grants to those funds. Undesignated gifts will initially be held in this fund.

Since the Fund was established we have worked diligently to build the assets of the Funds while undertaking major support of the PNA Research being done at the University of Missouri. To date we have awarded over \$20,000 in grants to support Health and Genetics, Education, and Rescue. This is quite impressive, since our Fund is relatively new compared to other Parent Clubs whose equivalent organizations are often decades older than ours.

Our current objective is to continue to grow fund assets while undertaking occasional substantial support such as the PNA Grant. We believe the real key to long term growth will be planned giving that includes the Funds in the wills of our members. Other comparable organizations have used this method as the key to growing their assets. The reality is that we must grow our financial resources substantially in order to having a meaningful impact and that means it will take many years to be in a position to have a significant impact on our core areas.

You can help by considering making the Funds one of the recipients of your estate. In addition, support an area of interest today. We have grown our asset base through small gifts and that will be crucial to our future.

Feel free to contact any Board member for more information on how **you** can make a difference!

The 2011 USKBTC Versatility Awards

“As Irish as the shamrock, the Kerry Blue is a jack of all canine trades and a master of most. He goes to earth, trails, hunts, and retrieves. In the hills of his County Kerry home he still herds sheep and drives cattle. The English have used him successfully in police work.”

-Man's Best Friend: National Geographic Book of Dogs. Originally published in 1958, revised in 1966.

The USKBTC Versatility Awards were the brainchild of Club member Susan Dunivant back in 2005, who along with several other members felt that the Club needed to recognize Kerries and their owner-members who earn titles in more than one discipline. Kerry Blue Terriers were originally developed in Ireland as all-purpose working farm dogs, and rather than risking our breed splitting into conformation and pet/working lines as has happened in so many other breeds, we want to encourage and reward those owners and breeders who embrace our breed's inherent ability to do it all!

One criticism of the Club's Versatility Awards program is that it only recognizes the breadth of titles earned, not the depth, so it is possible for Kerries and their owners who only satisfy the minimum requirements in each area to earn higher recognitions than those who concentrate and excel in just a few areas. However, one of the purposes of the Versatility Awards program is to encourage members to try different activities with their Kerries, and, in continuing to train and show them, to spotlight the very best qualities of our breed. I personally believe that the higher titles are a reward in themselves, and most of the recipients to date seem to agree: the vast majority of Versatility Award recipients have achieved titles and other recognitions and accomplishments beyond the minimum requirements for the award in at least one area. Past and present recipients include Grand Champions, top-ranked specials, producers of merit, Master Agility Champions, UDXs, RAEs, High in Trial and High Combined winners, Eukanuba/NOI/NAI invitees, and even a Kerry who was nominated for the AKC's ACE award and is one of the first dogs of any breed to earn the AKC's new Therapy Dog title.

There were 12 recipients this year, along with 3 past recipients who were “upgraded” now that rally and obedience are considered separate disciplines. Congratulations to all the recipients, who put in a lot of time building that incredibly special relationship that comes from training their Kerries in multiple disciplines. And a huge thank you to the breeders of these dogs as well—we couldn't do it without your dedication to producing sound, well-socialized puppies and placing them in great homes!

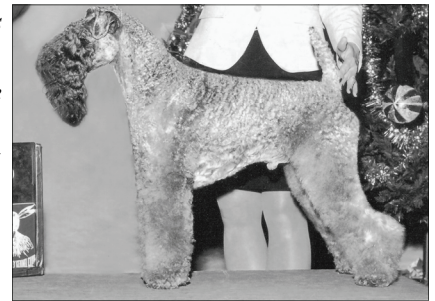

Bronze Tier

GCH Adare's Top Hat and Tails NA NAJ NF, owned and bred by Joy Ellwanger, Henry Hillard, and Angela Chase disciplines that eligible titles were earned in: breed and agility

Zeus received all his breed points from the Bred-By Class and had taken 17 Reserves to Majors which included Specialty shows. Zeus finished at the Northern Ohio Specialty with his second Major. He has been my easiest dog to train in agility. He is very responsive and learned the obstacles quicker than all my other dogs. Now he needs to concentrate more on me and his running patterns as we move through the Open classes. Zeus has also complimented Angela Chase in the Juniors ring where they have gone Best Junior and Angela has some qualifying wins for Eukanuba and Westminster.

GCH Beltane's Rock of Krisma RN IT, owned by Lois and Ted Grier and Jana Deaton; bred by Jana Deaton disciplines that eligible titles were earned in: breed and rally

Brogan is a lucky dog, loved by many. He came to live with us at 10 weeks of age; with his beautiful silver coat he catches everyone's eye. Brogan taught us even more about showing a Kerry with a mind of his own; he finished his championship at 16 months and became the #8 Kerry Blue Terrier in 2007. He has sired 7 champions to date with more to come. He went to live with Rona and Dee Chrisman,

who couldn't be prouder of any dog anywhere. He achieved his Grand Championship at 7 years of age with only 5 weekends in the show ring, and then found out just how much fun sheep and goats can be by picking up his herding instinct title. Dee was determined to put a Rally title on him and that was done in just one weekend of competing. He truly is a special boy who loves life, including sleeping on the bed.

Deryni's Asthore's Sage CDX RE, owned by Ann and Tom Chinnock; bred by Dr. Tammie Pearce and Donna Rogers disciplines that eligible titles were earned in: obedience and rally

We had Grace for about a year when I searched for a trainer

(Continued on page 22)

for help in the rabbit manners department. Grace had finished her basic obedience classes, but her desire to chase rabbits was becoming a bit of a problem. Our trainer introduced us to the world of competition obedience and it's been fun ever since. There is a lot of gratification and wonder to observe a dog that learns. We only train with positive means and are now using more games and play in

our training sessions, and the results are really fun. Grace just earned her first qualifying score in Utility A. As for the rabbit problem? We can now walk past a rabbit without losing our mind and acting like an idiot most of the time. But squirrels? That's another thing!

CH Elbrley Cregan's Beckett Blu CA THD CGC TDI, owned by Reatha and Jim Omodio; bred by Carol Postley disciplines that eligible titles were earned in: breed and wild card (lure coursing)

Everything I needed to know about fun with a dog I learned from Beckett. There is never a dull moment with Beckett, and Beckett fears nothing. From morning till evening Beckett follows me around the house carrying a ball or stuffed animal in her mouth to keep her from barking or getting in trouble. Together we've enjoyed rally, agility, conformation, dock diving, herding, and lure coursing. We've only mastered two of these events, but in time I'm sure we'll finish more. Beckett is still trying to train me on her rules! Mz. B has a wonderful personality and loves anyone she meets who will pet her. Beckett's favorite hobby is entertaining the children at school, by making them laugh and listening to the stories they read to her. Beckett's tail is always wagging even when she is in trouble. Beckett is my companion, my comedian, my personal trainer, my therapist, my friend. There is no other dog like Mz. B.

CH Fralin's Public Defender RN RL1 CGC, owned by Michael Waggener and Carol Pizzino; bred by Frank and Linda Sousa disciplines that eligible titles were earned in: breed and rally

Carol did not submit a write-up on Mason, and maybe that's because he doesn't need one. His name appears in the pedigrees of numerous notable champion and performance-titled Kerries, including those of other Versatility Award recipients. Definitely more than just a pretty face!

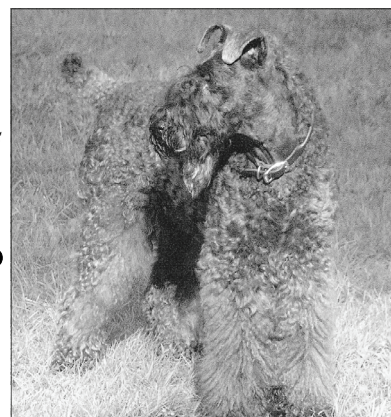

Starlite's My Special Angel RA OAP OJP, owned by Louise Lang and George Moad; bred

by Barbara Morningstar and Phyllis James

disciplines that eligible titles were earned in: rally and agility

Angel has been a joy to work with. Her happy attitude and willingness to focus on me and the tak at hand has been a real asset. Despite my handling skills, we enjoyed being together, having fun. In Canada, she has several agility and rally titles as well as her Altered Championship. She was working on her Novice Obedience when she decided at age 10 that it was time to retire and hang up her lead.

Wildside's Quiet Man UD RE, owned by Patricia and William Sontag; bred by Diane Harrison disciplines that eligible titles were earned in: obedience and rally

Duffy was my introduction into the world of competition obedience—my Novice A dog. I could never have imagined, the day we picked up that little black Kerry puppy who I wanted as “just a pet,” that he would go on to earn a Utility Dog title, and consistently be ranked as one of the top 10 Kerries in the country in obedience! Rally came along later in our training career, and he earned each Rally title in 3 tries, qualifying and often placing each time he was shown. He loved his new sport, Canine Nosework, but sadly was gone just six months before the first trial was held. Capable of doing anything I asked of him, he was a much-loved member of our family who loved everyone he ever met.

Silver Tier

CH Calix Cosmo V. Topper RN AX AXJ, owned by Patti Campbell; bred by Suzanne Tolleson disciplines that eligible titles were earned in: breed, rally, and agility

Another recipient that probably needs no introduction, Topper easily finished his championship with specialty majors at Pittsburgh and Northern Ohio, owner handled; is well known for his skateboarding and other antics on YouTube; and is already a major contender in the Excellent B agility classes!

Kerigolf's Wilde Knight CDX RE OA OAJ, owned by Jane Eno; bred by Lynn and Gary Duckett disciplines that eligible titles were earned in: obedience, rally,

(Continued on page 23)

Versatility report (Continued from page 22)
and agility

Oscar is my third performance dog and my second Kerry Blue Terrier. He has been a delight to own from the very first day I picked him up. His sweet, gentle nature and absolute boldness in all situations makes him easy and fun to train. All I need to do with Oscar is keep out of his way and I know we'll do fantastic. I am looking forward to what is to come with this athletic and willing partner. We have just started our work in agility, obedience, tracking, and conformation and I am sure there are more adventures in our future. I don't know what Lynn and Gary do to create such wonderful dogs, but I hope they keep breeding and allowing others to experience what it is like to own such a sane and happy Kerry.

Primrose Jessie James UDX RE NA NAJ AXP AJP, owned by Jane Eno; bred by Pat and Paul Masters
disciplines that eligible titles were earned in: obedience, rally, and agility

Jessie is my first Kerry Blue Terrier, and my first performance dog. He is still my best friend, even though he is now retired. We travelled all over the East Coast together going to obedience and agility trials, including competing in the National Obedience Invitational in Florida. He was invited to the NOI three times. He has won both High in Trial and High Combined at the Kerry Blue obedience specialties at Kimberton, as well as winning all breed High in Trials. But mostly Jessie has just been my best friend and devoted companion, always glad to see me and always willing to give something new a try.

CH Valtera's Miss Krisma'Revlin CD RN IT CGC, Silver ROM, owned by Lois and Ted Grier; bred by Terese Worful

disciplines that eligible titles were earned in: breed, obedience, and rally

Revlin came into our lives and turned our world upside down; nothing has been the same since. She has been the foundation for all to come. Revlin finished her championship easily at 18 months, completely novice owner handled. Then she went on to become the #10 Kerry Blue Terrier in 2006, while owner handled and only spending half the year in the ring as a special, and giving us 7 beautiful babies that same year. She is now the

proud mother of 12 champions to date, with more in the ring currently, and grandmother to many more already finished and her first great-grandchildren now on the ground. She went on to pick up her CD title just for kicks, and since she did that we were talked into going for our first Rally title this year. We also had a good time passing the herding instinct testing earlier this year. At 8 years of age she is still going strong and we are always looking for another challenge for her to try.

Gold Tier

CH Kerigolf's Loaded For Bear CDX MX MXJ HCT-s CGC, owned by Lisa and Meghan Frankland; bred by Lynn and Gary Duckett

disciplines that eligible titles were earned in: breed, obedience, agility, and herding

Remington is my third Kerry Blue Terrier, and like my previous two I got from the Croleys, I have been blessed to end up both with a beautiful, smart, willing dog, and wonderfully supportive mentors and friends in his breeders. Remi always tries his best to do what we ask of him, whether it is juniors, obedience, breed, agility, herding, tracking, or just hanging out at home, and is so tuned in to me that it often seems as if he learns new things by osmosis. Our better obedience and agility runs literally feel like dancing—I LOVE this dog and the connection we've developed from working together. Remi's AHBA herding title, which he earned the same weekend as his first two open obedience legs, was a total surprise, since he had only previously been exposed to sheep very briefly as a 14 week old puppy! But he took directions from me, and his natural herding instincts took care of the rest. I am looking forward to many more adventures with this wonderful Kerry boy.

The upgraded recipients are:

Silver

Blue Bay's Wind Dancer CDX RAE MX MXJ, owned by Brenda Vogel; bred by Anthony and Linda Lopez

disciplines that eligible titles were earned in: obedience, rally, agility

Dancer has the distinction of being one of the first Kerries to earn the MX and MXJ agility titles, and was the top agility Kerry at Kimberton in 2003. She also competed in the all-terrier obedience and rally trials there, qualified for the NAI at least once, and is currently enjoying a well-deserved retire-

Holiday Foods Can Upset Your Pet

(The following article is reprinted with the permission of Dr. Chris Beuoy of the University of Illinois, College of Veterinary Medicine at Urbana. We thank them for allowing us to post this information on the USKBTC website.)

Kim Marie Labak, Information Specialist
University of Illinois, College of Veterinary Medicine

The time for celebrating the holiday with our friends and family is here, and the center of many celebrations is food. We consider pets part of our family, so we naturally want them to share in the celebration. "People want to share their holiday dinners with their pets because they love their pets," explains Dr. Marcella Ridgway, veterinary internal medicine specialist at the University of Illinois Veterinary Teaching Hospital in Urbana. Unfortunately, rich foods that are common during the holidays can trigger gastrointestinal problems for a dog or cat, and too many treats from the dinner table can ruin the party.

Dr. Ridgway explains that there are several reasons that table foods can cause problems. "Holiday foods are often high in fats, sugar and unusual spices or other ingredients and are not always healthy for people. They are certainly not the types of foods most pets are used to getting."

Gastritis, which is an irritation of the stomach lining, and enteritis, which is an intestinal inflammation, can be triggered when an animal eats food it's not accustomed to. "With these conditions," Dr. Ridgway explains, "a pet will feel lousy, and may have vomiting and diarrhea, which makes everyone else unhappy--especially if you just had the carpets cleaned for your holiday guests." Also, these conditions can sometimes become quite serious, requiring hospitalization and intensive care therapy.

Foods high in fat can also trigger a serious condition in dogs known as pancreatitis, or an inflammation of the pancreas. Pancreatitis may be triggered after a fatty meal because the body releases a substance called cholecystokinin, or CCK, in response to ingested fat. CCK signals the pancreas cells to release enzymes that can digest fats and other nutrients, such as proteins. Normally, the pancreas cells release their digestive enzymes in a very systematic, orderly fashion, to protect itself and surrounding organs from the destructive properties of the enzymes.

When bombarded with high levels of CCK after a high fat meal, pancreas cells may release their enzymes more haphazardly, and these digestive enzymes can go where they are not supposed to, self-digesting the pancreas and causing intense inflammation. "We do seem to see more pancreatitis cases around the holidays," says Dr. Ridgway. "Pancreatitis can be triggered by as little as one fatty meal,

even in pets that have previously been fed table scraps without developing problems." Since pancreatitis can be life threatening, it's crucial to avoid foods which may trigger pancreatitis and to seek early medical care if it occurs. You should consult a veterinarian if your pet is vomiting, has diarrhea or abdominal pain. Pets may show signs of gastrointestinal upset or pancreatitis several hours to several days after the offending meal.

Dr. Ridgway recommends feeding treats specially made for pets, rather than table foods, when making your pet a part of holiday festivities. However, if you really feel the need to share your food, she recommends sharing less fatty foods, such as a lean morsel of turkey or ham.

"Another key is portion size," she points out. "Dogs and cats don't notice the size of the treat they get; they are more interested in the fact they are getting a treat and interacting with their owner." Even a piece of food the size of a thumbnail will be appreciated by a pet as a special treat.

There are other holiday food hazards to watch for beside gastrointestinal inflammation. Small sharp bones, especially those found in poultry, can pose a choking hazard or may puncture the gastrointestinal tract.

Strings that are used to tie roasts and birds are soaked with tasty juices and can be especially attractive to cats. When swallowed, these strings pose a serious hazard, and may require surgical removal if they become lodged in the intestines.

Don't give your animal food that has been sitting out for a while. Meats, poultry and egg- or mayonnaise-based foods left at room temperature over 40 minutes can harbor bacteria, and neither people nor pets should eat these foods.

Also, if pets get into the garbage they can get in to fat, bones, strings and other things that can make them sick, so Dr. Ridgway recommends that a household with pets have a pet-proof garbage can with a secure lid.

For more information on gastritis, enteritis, pancreatitis or other gastrointestinal conditions, consult your veterinarian.

Cold Weather Canine Care Tips

This article is posted with the permission of the
American Kennel Club.

© 2006 The American Kennel Club, Inc.

A dog's need for food, shelter and loving care in-
creases during the cold winter months. Keep your dog
safe and warm by following these guidelines.

- ◆ Dogs can get frostbite or hypothermia when tem-
peratures drop. Don't leave your dog outside in the
cold for long periods of time. Provide a covered
shelter, such as a doghouse or kennel, for the
times the dog is out of doors.
- ◆ When your dog is inside, keep him warm, dry and
away from drafts. Tiles and uncarpeted floors may
become very cold, so put down blankets or pads for
him to lie on.
- ◆ Keep your dog a safe distance from supplemental
heat sources such as portable heaters and fire-
places, which can cause severe burns. Place
screens around fireplaces.
- ◆ Don't leave your dog alone in a car on cold days.
- ◆ Feed your dog additional calories, particularly if it
spends a lot of time outdoors or if it is a working
dog. The extra calories are necessary because it
takes more energy in the winter to regulate body
temperature.
- ◆ Provide plenty of fresh water at all times. Dogs are
just as likely to get dehydrated in winter as in
summer. Snow is not a good substitute for water.
- ◆ Groom your dog regularly. Your dog needs a well-
groomed coat to keep properly insulated. If you
have a short-haired dog, consider a sweater or
coat. If your dog is long-haired, clip the hair
around its paws to ease snow removal.
- ◆ Dry your dog with a towel or blow-dryer if it gets
wet from rain or snow. Clean snow and ice from
its paws to prevent cuts and cracked pads. A little
petroleum jelly may help soften and soothe paw
pads.
- ◆ Be extra careful when walking or playing with
your dog near frozen lakes, rivers or ponds. Your
dog could slip or jump in and be seriously injured.
- ◆ Rock salt, used to melt ice on sidewalks, can irri-
tate paw pads. Rinse and dry your dog's feet after
a walk.
- ◆ Watch out for spilled antifreeze on driveways. An-
tifreeze smells and tastes good to dogs, but it can
be lethal.
- ◆ Dogs, like humans, seem to be more susceptible to
illness in the winter. Take your dog to the veteri-
narian if you notice any signs of illness.

Tuna Biscuits

2 cup cornmeal
2 cup flour
1/2 teaspoon salt
1 (8 oz.) can tuna in oil, drained
3/4 cup water
2/3 cup vegetable oil

Preheat oven to 350 ° F. Combine cornmeal, flour and salt in a large bowl and mix well. Add drained tuna, water and oil and mix thoroughly. Roll dough out onto a lightly floured surface to about 1/2 inch thickness. Cut with cookie cutter and transfer to an ungreased baking sheet. Bake for 15-25 minutes for small (1-inch) or 30-35 minutes for large (3-inch) biscuits. Transfer to a wire rack to cool. Store in an airtight container, and refrigerate.

THE UNITED STATES KERRY BLUE TERRIER CLUB
CODE OF ETHICS

This document defines the ethical standards to which we ascribe as a condition of membership in the United States Kerry Blue Terrier Club (USKBTC). Membership is a privilege conferred by the Board of Governors, acting for the Membership, upon those individuals who meet the high standards set forth in the Club Constitution and Bylaws and this Code. As members, we are individually charged with complying with this code and demanding similar compliance of all other members. We must hold the interest of the Kerry Blue Terrier superior to our own in exercising the responsibilities that accompany the privileges of membership.

I. RESPONSIBILITIES AS A MEMBER

- Members of the USKBTC, as Stewards to the breed, have the obligation to protect and serve the best interests of the Kerry Blue Terrier at all times. A member's every action should reflect credit on themselves, the USKBTC and, above all, the Kerry Blue Terrier.
- The approved standard for the breed is the fundamental imperative guiding our actions. Members have the obligation to protect and serve these standards as a condition of membership.
- Members must be familiar with and comply with the rules of the American Kennel Club (AKC); the Constitution and By-laws of the USKBTC; and (as appropriate) the rules established by any member club of the USKBTC.
- Members will observe the highest standards of conduct and sportsmanship at all times. Whether as a breeder, exhibitor, or spectator, they shall conduct themselves in a manner that reflects positively on the Kerry Blue Terrier, dogs in general, and the sport of showing dogs.

- Members shall maintain the highest standards of health and sanitation for their own Kerry Blue Terriers, as well as for any other animals in their possession or entrusted to their care. They shall demand the same high standards of others, members and non-members alike.

II. RESPONSIBILITIES AS A BREEDER

A Breeder shall:

- Be guided at all times by the approved standard for the Kerry Blue Terrier and shall consider breeding only those specimens that conform to the standard.
- When contemplating breeding a litter or providing the services of a stud dog, strive toward maintaining breed type and producing dogs of exceptional quality, temperament, and condition. Breeding or supporting breeding to a lesser standard is not acceptable.
- Use for breeding only those dogs that are healthy and free from serious congenital and hereditary defects. Refrain from further use, any bitch or stud dog that has developed such a health problem or produced any serious inherited defects detrimental to the offspring and the overall well being of the breed.
- Not use a bitch for breeding prior to reaching eighteen (18) months of age (preferably 24 months) or older than eight (8) years of age. A bitch should not be bred more than two (2) out of three (3) consecutive heat cycles, nor produce more than five (5) litters in her lifetime. Recognizing the variations in heat cycles and sizes of litters, valid exceptions may exist, however it is incumbent on the breeder to exercise good judgment in exercising such exceptions.
- Not sell puppies to pet shops either outright or on consignment; supply puppies for auctions, raffles, or other such activities; refrain from selling to persons whose intention (either known or suspected) is to resell or use the puppy in a breeding program not complying with this code of ethics. The breeder shall ensure that the prospective buyer is prepared to provide the same degree of care required of members of the USKBTC. The Code of Ethics should be provided and discussed with potential buyers as part of a thorough screening process. All buyers should be encouraged to become members of the USKBTC and member clubs.
- Promptly apply for AKC registration of the litter. Puppies should not be sold prior to reaching ten (10) weeks of age (preferably 12 weeks). The sale of every dog shall include a signed registration or registration application (Blue Slip), and a four-generation pedigree. Any exceptions to these requirements, or valid restrictions or limitations imposed as conditions to the sale (e.g., no breeding) must be agreed to in writing by both parties at the time of sale. It is strongly recommended that a written agreement accompany all sales. Buyers should be provided with assistance and support in the setting of ears and in learning proper grooming. If the buyer is not located in the same area, the breeder should make arrangements with another USKBTC member in that area to assist the new owner.
- Provide with each sale, a record of dated and types of immunization given, immunizations required, and veterinary health records. Instructions should be provided, preferably in writing, on diseases and hereditary factors related to the breed, proper medical care, feeding, and grooming. Providing a copy of the current USKBTC Handbook represents a means of conveying this type of information, and is a sound investment on the part of the breeder. No puppy should be sold without either temporary or permanent protection against distemper-hepatitis and parvo. Puppies should have a veterinary examination, and worming if required, before sale.
- Maintain accurate and complete records of stock, matings, pedigrees, show records, and transfers. Breeders are responsible for conducting research on their pedigrees to ensure correct ancestry, accurate spelling of names and correct registration numbers. Breeders should be familiar with and comply with all record keeping requirements required by the AKC. Litter registration applications must be correct and promptly requested. Individual puppy registration should be completed in a timely manner.
- Shall not engage in false or misleading advertising or other misrepresentations with respect to their own breeding. They shall not malign others by making false or misleading statements regarding another member's dogs, breeding practices, or person. Advertising should not be worded to attract undesirable buyers nor encourage raising dogs for profit.
- Consider the growing problems related to excess dogs ending up in animal shelters and should exercise sound judgment and prudent restraint in their breeding programs. Litters should be limited to numbers that are consistent with achieving a sound breeding program and the best interests of the Kerry Blue Terrier.
- Be prepared to assume lifetime responsibility for any litter produced.

III. RESPONSIBILITIES AS AN EXHIBITOR OR HANDLER

- Act professionally at all times in caring for and exhibiting any dog in your charge.
- Do not engage in any questionable contact with judges prior to exhibiting under them.
- Comply with AKC Rules and Regulations for Dog Shows, Obedience Trials, Field Trials, and The Guidelines for Dog Show Judges.
- Exhibit or handle only those dogs that conform as closely as possible to the approved standard.
- Do not indulge in the practice of making "kennel majors", or exhibiting filler dogs that they know themselves to be unworthy of championships, for the purpose of finishing dogs. Such practices lessen the meaning and value of a championship and do not serve the breed.

IV. ENFORCEMENT

- The USKBTC expects adherence to this Code of Ethics and blatant disregard of these standards will not be condoned. Violations of the standards are not in the best interests of the Club or the breed. Such behavior can serve as a cause of imposing discipline or terminating membership if charges are brought before the Board of Governors in accordance with the procedures as defined in Article VI (Discipline) of the USKBTC Constitution and Bylaws.
- Article VI addresses the specific procedures for proffering charges; the hearing process; and the rights of the parties involved. Each member is expected to be fully familiar with this very important provision of the By-laws.
