A few words from John

Social Network – A structure made up of individuals connected by one or more interdependency such as common interest, friendship and knowledge.

I started off this message with a definition for a reason. The USKBTC Board along with the AKC has been working on ways to increase the interest in pure bred dogs and in that way increase the number of registered dogs. The AKC has come out with a new I-Phone application. Our membership is aware of the Grand Champion program, the Breeder of Merit and other programs put forth by the AKC which a number of members participate in. A number of our members have been recognized in all the categories. There are new competitions for our Kerries such as scent dog and dock jumping. Each new endeavor increases the potential for our membership to widen their relationship with other people who have similar interests. The word is passed about Kerries. I ask someone to be a friend on a social network product not because I own a Kerry, but because I am interested in Rally, Obedience, hypo-allergenic dogs, etc... The people who didn't know what a Kerry could do now see a video on a Facebook page about herding or see a message on the Linked In network about a dog called Ivan who is now our library card holding Kerry. This is all part of our communication about the breed and how to get our message out about how wonderful and exciting a Kerry can be. We need to post these positive stories and not let the negative overshadow the good. We have to get out our message about the great things we have done in rescue and the success stories of those placements. Many, many people approach Kathy and I about Kerries just because of some pictures that she posted or because of who we are friends with. These may or may not amount to future ownership, but the seeds are set about Kerries being fun, versatile and loving.

Many of the goals we are pursuing are intended to raise the visibility and stature of Kerry Blue Terriers, to make it the breed of choice for the very best dog owners and to ensure that those owners who own a Kerry have the highest quality experience. If we are successful, the results will include 1) increased recognition, more registrations and an improved bloodline, and 2) increased and broader Kerry ownership. Success here will be the first step in moving us closer to achieving the broader vision.

The USKBTC needs to put together a strategy for marketing and communication of the strengths of our breed. As you have often heard us say, we need to do more "to get our name out there". Various strategies such as billboards, license plate holders, paid print ads and Meet the Breed functions are examples of deliberate actions we have taken in this regard. There needs to be a strategy for increasing the number of registered Kerries. It should include in part some suggestions on what to do with stories like Ivan's. To accomplish this, the USKBTC needs volunteers. I am not an expert in marketing or communication. However, a number of our members may be. We need a committee to discuss and come up with tactical and long term suggestions for getting the word out about Kerries. Please help us set the direction for the next 5-10 years. Speak to a Board member or to me directly.

We are always looking for a few good volunteers. We are currently looking for members who are interested in judging Sweeps and the Futurity from 2012. We are looking for people interested in running our dinner and the raffles at the annual meeting. The USKBTC is made up of volunteers. We need more people who want "to do". Remember. To better our club – volunteer. To help rescue – volunteer. To improve our breed – volunteer. I don't always remember quotations, but an organization I belonged to at one time always used one when looking for volunteers. "I am only one, but I am one. I cannot do everything but I can do something. And I will not let what I cannot do interfere with what I can do." Edward Everett Hale.

Finally, February was Westminster month and the snow was melting so I went to Madison Square Garden. People were 4 deep around the Kerry ring. (They are small rings.) I started to talk to the people standing next to me and it turned out that her grandfather was a breeder and owner back in the 30's and 40's. She was going to make the jump into getting a dog and because of her remembrances of growing up with Kerries, a Kerry Blue was the breed for her. One week later she was the owner of a male Kerry from one of our members. Kerries have and will continue to touch our souls. Let's take that message to a new generation of people.

A Letter from the Editor. . .

As I write this, I am looking out on a sea of cheerful yellow daffodils and listening to the basketball tournaments as the season winds down. Must be spring! Inside this issue there are LOTS of show ads for upcoming specialties around the country to consider as you plan your travels, as well as results from previous shows. Congratulations to all the winners, and good luck to one and all as show season shifts into high gear again.

I hope you will take time to read the second article in our new series, Spotlight on our Future. You will also find an article profiling Ivan the Terrific and the PAWS to Read program. I'm not sure who has more fun: the kids or Ivan? Of course the Gallery of Winners is included, along with a special layout showcasing Grand Champions. You will also find chapter club annual reports detailing what has been happening with Kerries and their owners around the country from nearly all of our member clubs. My thanks to all for sharing their club news with the rest of the membership!

For those searching for OFA results, I can report that approximately 109 Kerry Blue terriers were screened in the fourth quarter of 2010, and I have received no updates since then. Those searching for results should go directly to the OFA website and search there: <http://www.offa.org/>.

Finally, I encourage you to email if you have ideas for articles, questions about ads, or an article to submit. Until next time. . .

Spotlight on our Future...

*McKenna Marie Vance

Many years ago, during a cold and rainy Montgomery weekend, a little girl barely 8 years old, wearing a white raincoat and hat, appeared on the scene with a Kerry pup. She stood out as the tiniest participant that week in a large ring full of dogs and power handlers--not at all fazed by the strength of her competition.

Much taller, but still quiet and very unassuming, McKenna Vance, still enjoys showing that

same Kerry--as a Veteran special and in Junior Handling--and she has been making quite a stir on the recent dog show scene. Once the #1 Kerry Junior Handler, her recent Best Junior Handler win at the Florida Classic Cluster earned her a \$1,000 scholarship--her proudest win to date!

McKenna's parents grew up showing dogs, so it was no surprise their kids would have an interest for the sport. McKenna's love for Kerries began eight years ago, while tagging along at a dog show with her older brother and his Wheaten Terrier. Not having a dog of her own, she was asked to 'babysit' a puppy for a few hours while the owners went to lunch. It's never been determined if that 'babysitting' was part of a greater plan, but thankfully, that Kerry pup later became her first dog, 'Aillee'. The family has since become good friends

with Walter and Barbara Bates, and they are usually front and center at the junior ring!

Once 'Aillee' finished, McKenna had expressed a desire to continue on with

her passion for showing and become more entrenched

with the sport by adding a new dog to her lineup. After thoughtful planning, Symphonie's Fleur de Lys, 'Sophie', was brought home to love and grow, and she will be McKenna's new focus.

The family has a 'no dog left behind' policy....they incorporate their dogs with every part of daily living, and therefore, have a limited number of dogs--currently only the two!

The Vance kids are very involved with activities and the dogs are willing participants--'Aillee' was the team mascot for McKenna's school softball team and has also traveled to football

games to accompany her cheer-leading squad. McKenna's youngest brother Harrison adopted 'Sophie' as their team mascot, but as a small pup, all she really cared about was playing in the shrubbery! 'Sophie' has a morning chicken

biscuit routine--and it's quite comical how the dogs have become well known at local drive thru restaurants !

With her show wins advertised in the local newspaper, some have approached her with a need for dog training. McKenna has reached out to the public and offered assistance, and she also has created 'The Groom Room' which is her home-based shop where she grooms neighbors, teachers and friend's dogs at a minimal charge to cover her expenses. McKenna believes having a well-

behaved, clean pet is more likely to be loved and cared for.

With every show, McKenna has done more and more of her own grooming on her Kerries. As you all know, many of the shows are won and lost on the grooming table,

and it's no easy task to properly prepare them for the ring. She is becoming more confident with her scissoring and has shown great progress. She hopes to gain even more insight this summer when she visits her breeder/friend France Godbout in Canada

and can spend some time learning and improving her grooming and handling techniques-- and of course, hopes to enjoy showing the dogs!

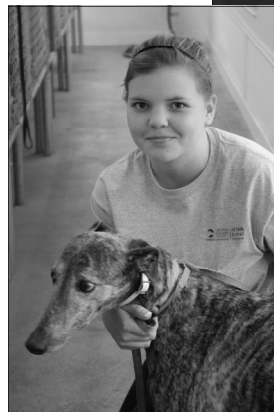

In school, McKenna suggested her class take on a special project to assist the local Sheriff department with their canine unit, as it was brought to her attention that they had a need for 'pop locks'. This item would allow the officer to release his canine from the car to assist him from a remote control. These locks are very expensive, so she began a "Kids for K-9 Kops" fund raiser and helped raise money for this cause. She is shown here being honored with one of the retiring K-9's and his officer.

McKenna assisted the Kerry Blue Terrier Club of Central Florida in September at the AKC's Responsible Dog Owner Day in Tampa. Although the one-way drive was over seven

hours long, she felt it was important to help the club by discussing the advantages/disadvantages of owning a Kerry and educating the public on the importance of proper training.

This past August, McKenna traveled to the University of Georgia and participated in the AKC's Breeder Symposium. It

was important for her to hear from experts and be better informed of health concerns facing the breed, and to learn of measures that promote good health if she is to breed a litter of Kerries in the future. Being on this campus, honed her desire to pursue Veterinary medicine, as she had been volunteering her time after

school every week at both local veterinary clinics to gain additional insight on this career path.

She is also a mentor to several junior handlers interested in learning more about dogs, including her little brother, Harrison. For him, she has made a very generous gift--her trained Juniors dog. Starting out, she felt it important that he have a dog that can be a good teammate, but this puts her at a disadvantage with an inexperi-

enced dog as her teammate. "All the more a challenge!" she giggles. McKenna also has assisted with the first annual Kerry Blue Terrier Club of Central Florida's Junior Handling Clinic held in conjunction with

the Terrier Specialty. Seven juniors participated--and none had shown before--so this was a wonderful opportunity to introduce kids & Kerries to juniors and she felt it was important to support and encourage each other in the sport.

McKenna had qualified for the AKC Eukanuba Classic Invitational in Long Beach, CA but was unable to attend due to the death of her grandfather. Her goal for 2011 is to again, qualify for the show and the prestigious Westminster show in New York City. She is hard at work and saving her earnings!

When asked, McKenna will tell you that training dogs has taught her many life lessons. "Caring for another living soul is a huge responsibility. The work involved with

training and keeping a show dog conditioned takes many hours—for a brief moment in the show ring! Having a good work ethic and giving up certain usual youth activities to prepare for shows, is a must if you are to be any good in the ring. Sometimes adults don't always recognize what is sacrificed by a junior-- just to compete." If asked, she will tell you she has learned far more from losing than winning. "Good sportsmanship, perseverance

and a 'never give up' attitude developed after many RESERVE placements.

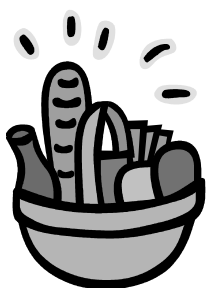

My Kerry turned blue very late and it took nearly 6 years for her to finish. Most people would have given up by then or moved on to another dog. But I didn't have another dog, and given time, I knew someday she would be a champion on paper, as she was always a champion in my heart.

McKenna would like to convey one thought....if you have a kid-friendly 'retired' show dog that loves and misses the show scene, contact a junior handler in your area and offer them the opportunity to show a great dog. Keeping kids and Kerries in the ring will ensure the longevity of the sport!

In closing, I think you will likely see McKenna at shows for many years to come as she truly has found something she LOVES! She has made her family, school and community proud, and hopefully when you meet her, you will support her efforts in and out of the ring!

The editors would like to thank Nancy Vance for this article and photographs about our second junior handler, McKenna. Keep watch for our third profile, appearing in the Summer issue of Blueprints!

IVAN. . . And the Paws to Read Program

June Hulit

He's a ham! He loves people.....especially kids!
He's loyal! He is soft to touch! He has energy....yet
he is laid back for his breed! He is fun! He has a
beard! He likes other dogs! He is unique! He is a
love! He is a therapy dog! He is a Kerry Blue Terrier!

That's our boy.....Ivan the Terrific! Yes.....that is
what he is named. We certainly did not want him to
be confused with that "other" Ivan that was so
popular in history. From 10 a.m. to 12 noon on Sat-
urdays, we attend the local "Paws to Read" program
at our relatively new Wayne County Library in down-
town Wooster, Ohio.

The therapy dogs and their handlers belong to a lo-
cal social group called CTC or Caring Therapy Ca-
nines. This very active group of folks/volunteers
have "registered" therapy dogs being members of
either Therapy Dogs Incorporated (Wyoming) or
Delta Society. Most of these dogs have been
adopted from the local pound or a breed rescue or-
ganization, including Ivan.

The handlers with their dogs volunteer to read to
kids (if the kids are unable to read) or if the children
can read, the handlers may ask the kids to choose a
book from the bookshelves of the library to read to
one of the therapy dogs. The kids position them-
selves on the floor beside the therapy dog and begin
reading. The handler helps the reader.....if
needed.....and after the child has finished read-
ing to the dog, the handler remarks to the child,
"Good job!"

It is a program entitled "The Paws to Read" pro-
gram. In other cities or other states, it might be
given some other title; BUT the point is, children
feel more at ease reading to a "dog" rather than to
a large group of their peers as in a classroom set-
ting. The kids sit and stroke the dogs as they
read.....allowing the child to feel more relaxed.
The "dog" does not threaten them nor pass judg-
ment as to the individual child's reading skills.

And if they do not choose to read.....no prob-
lem.....they might come up and approach the dog
and pet one of the therapy dogs. If the child starts
to reach to pet Ivan on the head.....Ivan backs
up. The child has not "introduced" himself in a

proper manner. The handler instructs the child (and
sometimes the adult) to let the dog "sniff" their
hand. This is the way to "introduce" ones self to a
dog....just like an adult shaking the hand of another
human. It is a form of greeting another....but with
the dog.....the dog knows.....the individual may
have other pets or a little bit of leftover maple syrup
they had on their pancakes at McDonalds because of
their sense of smell. After the proper greeting has
been established, the therapy dog proceeds to greet
the child and allows the child to pet, stroke them,
etc.

Questions occur.....especially to Ivan the Terrific,
they ask, "How does he see?" "With two eyes, I
answer." Then there is a giggle. Then I explain the
purpose of the fall or beard of the KBT. They were
bred by the Irish commoner to be a family compan-
ion, a family protectorate, go to ground for vermin,
herd the cattle or sheep and to help the Irishman
with his pants in the morning and to help him home
from the pub in the evening." The parent oversee-
ing their children laughs; the kids give a smile and
continue to pet Ivan.

Ivan knows no stranger. He has a job. He eagerly
enters the library on Saturday with his head held
high and his tail set the same. We walk in.....first
greeting the librarians in the children's section of the
library. He has to greet each librarian that is work-
ing that day.....just.....because.....that is Ivan's
job. Next he anxiously struts his way back to the
area where we read. Ivan even has a
"groupie".....a lady that comes now and then just
to sit, watch and pet the therapy dogs. She loves
dogs and has high-blood pressure and stress. She
comes to pet and hug the therapy dogs.

Ivan is unusual in another aspect.....he LOVES
to wear costumes or dress up for an occasion. He
has a red-white-and blue top hat and red-white-
and-blue neck frounce for Memorial Day and Inde-
pendence Day...then there is his St. Patrick's Day
hat and neck ruffle or his "Daffy-Dill" terrier outfit
(check out....July and October of the USKBT 2011
calendar). The petals were part of a headband that
looks like a daffodil but I removed the plastic head-
band and replaced it with elastic. I cut out two-leaf-
looking frounces...one was green for the stem petals
and one was yellow for the flower petals.....no
problem...he loved it. He always does a wonderful-

(Continued on page 12)

(Continued from page 11)

sit-stay posing for a picture. Ohhhhhh yes...and then there is his Halloween costume with a little witch's hat and pigtails that makes him look like a Peppy Longstocking. He loves it too!

So now our library has this idea. Let's take pictures of the therapy dogs and make posters to promote the "Paws To Read" program! GREAT!!! So now we have Ivan the Terrific in his sit-stay position and in front of one of the library's bookshelves reading a book entitled, *The Bad Kitty*." Very appropriate reading for a dog.....wouldn't you say?

The photo for this poster was taken by Mr. Jeremy Gaggins, and it will appear during National Library Week, April 10th through April 17th.

E-MAIL your name, address, phone number and pledge amount to scotkell@aol.com. Or **SEND** your check, made payable to USKBTC, to: Scott Kellogg, 3636 S. Mountain Road, Knoxville, MD 21758. Or you can make a donation **ONLINE** by going to www.uskbtc.com, clicking on the "donations" tab at the top; clicking on "make a donation online", then clicking on "Montgomery trophies." All donors names will be listed in the Montgomery catalog and also in Blueprints.

Again this year, we have a special category of "**Dedication Contributions.**" A \$100 donation will sponsor a class first prize at the Montgomery specialty. You may dedicate your donation to a favorite dog, admired show dog, past or present mentor, special Kerry person, etc. There are twelve classes to cover at the Montgomery show. Dedications will be listed in the Montgomery catalog and in Blueprints.

The deadline for trophy donations is July 31st.

KBTC-StL 2010 Annual Report

The KBTC-StL held its 29th annual Specialty on Saturday, September 11, 2009 and hosted the US Traveling in conjunction with the Missouri Rhineland Kennel Club all breed show in Sullivan, Missouri. Entries were up from 2009, the sweeps entry was up with a very good representation of the future. We welcomed old friends and new who supported our show with majors both days. Our hospitality tent offered refreshments to visitors, Kerry owners, and handlers, and was the location for a group dinner on Friday night, and a catered BBQ after Saturday's show. Thanks to everyone who helped take down the hospitality tent Sunday, while waiting for the group to start. April 18th, 2010 Gigi took her two puppies to the Museum of the Dog as the Guest Dog of the week, Meet the Breed program.

We lost a founding member, Nancy Robards the week before the shows. Nancy was a big supporter of Kerries in obedience, designed the club logo and will be missed by all who knew her.

KBTC- Chicago 2010 Annual Report

Our year was filled with events designed to bring together those who participate in various performance shows and trials along with our family members who simply choose to be owned and loved by a Kerry. Many of our members join in sharing our knowledge of the breed at shows, and actively mentor those that are just beginning their journey. We hosted a grooming clinic at

our member Nicole Carafora's family owned and operated salon Canine Corral along with a delicious potluck. In March our members joined together in a St. Patrick's Day Celebration luncheon at a local restaurant. Our club held its 77th annual Specialty on June 19th. We had a fantastic turnout of Kerry owners joining in the fun with our Cheeseburger in Paradise luncheon (Thanks Rick!), Ugly Hawaiian T-Shirt Contest (and some were UGLY) and raffle. This year the events won't stop when the sun goes down. We will be enjoying popcorn and a movie, viewing Alfred Hitchcock's "The Kerry Blue Terrier" along with some additional surprises. We joined the regional clubs in donating a Chicago themed raffle basket during the USKBTC annual dinner during Montgomery weekend. Our basket included a sweatshirt designed by our very own artist Melanie Feldges adorned by a Kerry investigating the Chicago Art Institute lion statues and a wine bottle signed by our very own Mayor Daley. We wrapped up our year with our annual Christmas Party and always interesting White Elephant fund raising auction.

Just wait and see what we have in store for this year! For 2011 we have planned some new events: massage and communication with licensed therapist Laurie Kay, with the proceeds raised going to Charitable Funds; introductions to herding and lure coursing; and some health, wellness, and reproduction seminars. You will also see many of us joining in the fun at local community parades and events throughout the year.

I am looking forward to 2011 filled with fun and surprises and I could not do it alone. My sincerest thanks and gratitude go out to those who dedicate themselves tirelessly to contributing their time and energy to our events, our club, and our beloved Kerries!

Respectfully,

ented to helping our new show puppy members get started on the right foot and they sure did. Fund raising, which is always important, was the foundation activity preparing for the KBTCNC hosting the USKBTC Travelling Specialty and presenting 2 additional regional Specialties all in 2011! Throughout 2010, the KBTCNC successfully increased the number of new active members. These successes were no small feat in light of the economy and downturn in dog show attendance. All the credit belongs to the amazing Kerry Blues of our KBTCNC - they keep us smiling and motivated. We hope all of you will consider visiting us April 14, 15, 16, and 17, 2011 for the Travelling Specialty and shows. Please see our updated show information in this issue of Blueprints. It will be awesome! Good Luck to All in 2011

**KBTC - Southern California
2010 Annual Report**

Looking back on 2010, it has been a great year for our Club.

The year kicked off early with our first Winter Specialty held with Desert Empire Terrier in Palm Springs/Indio the first week-end in January.

During the Spring, we held our Herding Day. It was lots of fun, and we raised \$1122 for the club. It was a load of work for Ron and Tia Hewlett who chaired the event, but it really paid off for the Club. This was an open event, so we had many dogs of other herding persuasions participating. Everyone commented on how well things were run and how smoothly it went.

Our Summer Specialty was held in June in conjunction with Great Western Terrier at the Queen Mary Events Park in Long Beach. The park itself is delightful, but the scenery makes the event a spectacle. One view gives you the Queen Mary, and 90 degrees to the left

you have the vast Pacific with the outline of Catalina or 90 degrees to the right you have the lovely skyline of Long Beach with their new business center and the famous Weyland painting on the Convention Center. The Specialty was a financial success for the Club, thanks to Tom Huynh, who donated a roundtrip airline ticket, won by Diane Lee, who used it to go to – no surprise here – Montgomery Weekend. Also thanks to Pam Seigler for setting up a great boutique of Kerry items.

We held other meetings at parks and shows and a couple of members' homes.

During the year, a large number of our four-footed members did very well on the show circuit, which is always a thrill.

Respectfully submitted,
Carol Basler

**KBTC—Texas
2010 Annual Report**

The Kerry Blue Terrier Club of Texas continued its activities in 2010 holding regular meetings, adding membership and continuing Rescue efforts.

The Kerry Blue Terrier Club of Texas held its 2010 Specialty at Will Rogers Memorial Coliseum, Fort Worth, TX on Friday, March 26, 2010. G Lorentz-Reiling judged the regular classes 21 Ent (14d - 7b) and Dana Kincaid judged the Sweepstakes. A Buffet Barbeque Dinner and Auction were held Saturday evening at the LaQuinta Inn – Fort Worth with a good time had by all.

Outreach activities included members participating in two "Meet the Breeds" at the "Lone Star Cluster" in Dallas.

As a result of the membership efforts to improve the Exhibitor's experience with our Specialty Show, the Club joined the Consolidated Specialties.

This results in a change of Show Superintendent in 2011 and the availability of ON-LINE Entry at the Onofrio Web Site for the March 2011 Specialty.

Members continue to be active in conformation. A special thanks to all who contributed to the successes of 2010.

The club is looking forward to another good year in 2011.

**KBTC - Central Florida
2010 Annual Report**

2010 started off with a bang. Our Specialty on the Florida Circuit was well attended. Everyone enjoyed our local Florida Bar-B-Q for lunch. The boutique was stocked with unique items. The luncheon on Saturday gives exhibitors plenty of time to mingle and catch up. On Saturday evening there was a seminar on Chiropractic Massage Therapy.

I am very excited to see that we have welcomed many new members into the club during 2010. New members mean new ideas and a fresh perspective.

During the annual meeting the new slate of officers was approved:

President: Linda Lopez
Vice President: Chris Cagle
Treasurer: Conni Adams
Secretary: Nancy Vance
Board of Directors: Judy Agnew, Walter Bates and Reatha Omodio

This is a great group of people to work. All experience club members and show people who put the good of the breed first.

We are always looking for ways to serve our membership with information. Our newsletters this past year had an article on brain exercise for all dogs, reprinted from the University of Illinois College of Veterinary Medicine. A local Veterinary Ophthalmologist provided an article on cataracts.

In September the club had a booth at the RDO day. What a great time. We had a chance to speak to the public about our breed and what it means to make a life long commitment to a dog. We are sure to participate again in 2011.

In November the club held a junior seminar for those handling Kerries. Kelly Dahlberg past top Junior in Florida provided excellent instruction. Juniors are our future, the Florida club takes great pride in the Kerry Juniors we see in Florida.

Last but not least the club took on a new project. The creation of Nancy Vance to have a 52 week day planner. They were given out as exhibitor gifts at the 2011 Specialty. They are now for sale.

That sums up 2010.

**THE
KERRY BLUE TERRIER CLUB
OF NORTHERN OHIO**

2010 was another successful year for the Kerry Blue Terrier Club of Northern Ohio. In June new officers and board members were elected for the 2010-2011 Club year:

Cary Weatherhead, President
Dave Campanella, Vice President
Tracy Campanella, Secretary
Karol Bortel, Treasurer
Directors Phil Bortel, Bonnie Fox, Roy Fox and Audrey Weatherhead

The highlight of the year, as always, was four days of the Steel Valley Cluster, August 5-8, with two back to back KBTCNO specialties and two days of supported entries. There were 46 entries. One Club member and a visiting exhibitor participated in the SVC sponsored agility trials and another member entered the Eukanuba sponsored "Breeder's Cup" competition. The weather was great, not too hot and very little rain. In 2010, the Club made some important changes to the show site, in particular relocating the spectator viewing/on deck ring tent to the east side of the ring. This had several benefits including a longer period of shade for exhibitors in the ring and allowing those exhibitors waiting in the grooming tent with their dogs to observe the judging. It also provided for additional on-site parking for those exhibitors who overnight in off site facilities. This new show site configuration will be continued in 2011. Other improvements included more electric power drops, which were allocated to the grooming tent and hospitality, and an on-site ramp and backdrop for photographs where we used official SVC approved photographers. One of the 2010 judges requested a ramp which was retained for subsequent days of the show. This was popular with exhibitors and will be retained in 2011. The Club intends to add additional power drops in for 2011 and will improve the photography venue. At the annual Steel Valley Cluster

(Continued on page 17)

Central Florida specialty (Continued from page 16)

meeting in October, the Club gained another important change to the Specialty show site by eliminating one of the five, for rent RV sites located on the show block. This will make the existing sites and hospitality area more open and provide more parking opportunities for those Kerry owners and exhibitors who stay at venues off of the fairgrounds. The club also received very favorable treatment on judges requests for both the 2011 Northern Ohio and US Traveling specialties.

In December, the Club again supported entries at the Crown Classic Shows at the Cleveland IX Center. Two Club members and their dogs also participated in the Meet the Breed program. The Club also ramped up planning for Steel Valley Cluster 2011 which will include the USKBTC Traveling Specialty and the two Northern Ohio Specialties. The Club, using a sponsor's generous contribution, will be supporting an obedience trial entry on each day of the show.

Our 2010 was Back to Back Specialties held on May 29th and 30th, 2010. An impressive bunch of young kerries were entered in Sweepstakes each day before our regular Specialty Classes began! Our Club supported the entries for the remaining 3 days of the Memorial Weekend Classic at New Castle, Pa.

Once again, our members and non members did the club proud by making sure all our members and guests had a memorable Memorial Weekend, providing food and fun galore for everyone. All day hospitality everyday, Friday night's Pizza Party followed by our Annual Kerry Costume Kontest, Saturday night's Specialty Buffet and Dollar Raffle. Sunday we had Fried Turkey which went fast, and the Big Raffle, we raffled off our Annual Basket of Cheer. All our volunteers made sure no one went away hungry! And all Weekend we had pictures of past specialties for everyone to enjoy. Then we again participated in Meet the Breed on Monday!

Our Club suffered two great loses, personally and to the Kerry Blues this past year! Dr. Ralph A. Reilly, the Club has established a Perpetual Ralph A. Reilly Contributions to the Breed Award. Dawn Culver, who seriously ill with cancer, came to our Specialty and helped with the Sweepstakes. Her love for the Pittsburgh Club and Kerry Blues was very evident.

We now have a new website up and running and invite all to visit: Website address is www.KBTCofGP.org.

And again Officers and Members look forward to Back to Back Specialties scheduled for Sat., May 28th and Sunday, May 29th, 2011. PLEASE COME AND JOIN US!

I want to thank Officers and Members for making my term as President a privilege to serve the Club and most important the Kerry Blue Terrier

**KBTC - Lower Michigan
2010 Annual Report**

Our "Christmas In July" shows will be July 15, 16, & 17, 2011 in Marshal, MI at the Calhoun county fairgrounds. The shows are Holland Michigan Kennel Club, and Battle Creek Kennel Club, and the show superintendent is Roy Jones Dog shows. We will have trophies all three days, our Kerry Walk pot luck dinner, a raffle and a "Kerry GOOD TIME!" our Motto. For further information, contact Terry Worful.

AKC has agreed to let us keep the name Lower Michigan Kerry Blue Terrier Club, but we are still trying to get the area expanded so that we can have enough Michigan members to fill the Office positions. We are also trying to find some way that out of state members can have a vote.

Our herding event was well attended. We had 10 dogs participating, and all of them passed their Herding instinct test. Michelle Mills dog, Riely and Don Wilde's dog, Perp did very well.

A Word from Charitable Funds...

As many of you know the US Kerry Blue Charitable Fund was established in 2002. Its purpose was to serve the Kerry Blue Terrier in four important areas:

- 1) **Rescue Fund** – this fund supports grants used to provide Kerry Blue Terrier rescue services.
- 2) **Health and Genetics Fund** - this fund makes grants in support of research in areas of health and genetics of particular importance to the Kerry Blue Terrier.
- 3) **Education Fund** – the education fund supports education of all those interested in the Kerry Blue Terrier including publications, websites, and seminars.
- 4) **General Fund** – donations to this fund are used to support the work of the other funds through internal grants to those funds. Undesignated gifts will initially be held in this fund.

Since the Fund was established we have worked diligently to build the assets of the Funds while undertaking major support of the PNA Research being done at the University of Missouri. To date we have awarded over \$20,000 in grants to support Health and Genetics, Education, and Rescue. This is quite impressive, since our Fund is relatively new compared to other Parent Clubs whose equivalent organizations are often decades older than ours.

Our current objective is to continue to grow fund assets while undertaking occasional substantial support such as the PNA Grant. We believe the real key to long term growth will be planned giving that includes the Funds in the wills of our members. Other comparable organizations have used this method as the key to growing their assets. The reality is that we must grow our financial resources substantially in order to having a meaningful impact and that means it will take many years to be in a position to have a significant impact on our core areas.

You can help by considering making the Funds one of the recipients of your estate. In addition, support an area of interest today. We have grown our asset base through small gifts and that will be crucial to our future.

Feel free to contact any Board member for more information on how **you** can make a difference!

**THE UNITED STATES KERRY BLUE TERRIER CLUB
CODE OF ETHICS**

This document defines the ethical standards to which we ascribe as a condition of membership in the United States Kerry Blue Terrier Club (USKBTC). Membership is a privilege conferred by the Board of Governors, acting for the Membership, upon those individuals who meet the high standards set forth in the Club Constitution and Bylaws and this Code. As members, we are individually charged with complying with this code and demanding similar compliance of all other members. We must hold the interest of the Kerry Blue Terrier superior to our own in exercising the responsibilities that accompany the privileges of membership.

I. RESPONSIBILITIES AS A MEMBER

- ☐ Members of the USKBTC, as Stewards to the breed, have the obligation to protect and serve the best interests of the Kerry Blue Terrier at all times. A member's every action should reflect credit on themselves, the USKBTC and, above all, the Kerry Blue Terrier.
- ☐ The approved standard for the breed is the fundamental imperative guiding our actions. Members have the obligation to protect and serve these standards as a condition of membership.
- ☐ Members must be familiar with and comply with the rules of the American Kennel Club (AKC); the Constitution and By-laws of the USKBTC; and (as appropriate) the rules established by any member club of the USKBTC.
- ☐ Members will observe the highest standards of conduct and sportsmanship at all times. Whether as a breeder, exhibitor, or spectator, they shall conduct themselves in a manner that reflects positively on the Kerry Blue Terrier, dogs in general, and the sport of showing dogs.
- ☐ Members shall maintain the highest standards of health and sanitation for their own Kerry Blue Terriers, as well as for any other animals in their possession or entrusted to their care. They shall demand the same high standards of others, members and non-members alike.

II. RESPONSIBILITIES AS A BREEDER

A Breeder shall:

- ☐ Be guided at all times by the approved standard for the Kerry Blue Terrier and shall consider breeding only those specimens that conform to the standard.
- ☐ When contemplating breeding a litter or providing the services of a stud dog, strive toward maintaining breed type and producing dogs of exceptional quality, temperament, and condition. Breeding or supporting breeding to a lesser standard is not acceptable.
- ☐ Use for breeding only those dogs that are healthy and free from serious congenital and hereditary defects. Refrain from further use, any bitch or stud dog that has developed such a health problem or produced any serious inherited defects detrimental to the offspring and the overall well being of the breed.
- ☐ Not use a bitch for breeding prior to reaching eighteen (18) months of age (preferably 24 months) or older than eight (8) years of age. A bitch should not be bred more than two (2) out of three (3) consecutive heat cycles, nor produce more than five (5) litters in her lifetime. Recognizing the variations in heat cycles and sizes of litters, valid exceptions may exist, however it is incumbent on the breeder to exercise good judgment in exercising such exceptions.
- ☐ Not sell puppies to pet shops either outright or on consignment; supply puppies for auctions, raffles, or other such activities; refrain from selling to persons whose intention (either known or suspected) is to resell or use the puppy in a breeding program not complying with this code of ethics. The breeder shall ensure that the prospective buyer is prepared to provide the same degree of care required of members of the USKBTC. The Code of Ethics should be provided and discussed with potential buyers as part of a thorough screening process. All buyers should be encouraged to become members of the USKBTC and member clubs.
- ☐ Promptly apply for AKC registration of the litter. Puppies should not be sold prior to reaching ten (10) weeks of age (preferably 12 weeks). The sale of every dog shall include a signed registration or registration application (Blue Slip), and a four-generation pedigree. Any exceptions to these requirements, or valid restrictions or limitations imposed as conditions to the sale (e.g., no breeding) must be agreed to in writing by both parties at the time of sale. It is strongly recommended that a written agreement accompany all sales. Buyers should be provided with assistance and support in the setting of ears and in learning proper grooming. If the buyer is not located in the same area, the breeder should make arrangements with another USKBTC member in that area to assist the new owner.
- ☐ Provide with each sale, a record of dated and types of immunization given, immunizations required, and veterinary health records. Instructions should be provided, preferably in writing, on diseases and hereditary factors related to the breed, proper medical care, feeding, and grooming. Providing a copy of the current USKBTC Handbook represents a means of conveying this type of information, and is a sound investment on the part of the breeder. No puppy should be sold without either temporary or permanent protection against distemper-hepatitis and parvo. Puppies should have a veterinary examination, and worming if required, before sale.
- ☐ Maintain accurate and complete records of stock, matings, pedigrees, show records, and transfers. Breeders are responsible for conducting research on their pedigrees to ensure correct ancestry, accurate spelling of names, and correct registration numbers. Breeders should be familiar with and comply with all record keeping requirements required by the AKC. Litter registration applications must be correct and promptly requested. Individual puppy registration should be completed in a timely manner.
- ☐ Shall not engage in false or misleading advertising or other misrepresentations with respect to their own breeding. They shall not malign others by making false or misleading statements regarding another member's dogs, breeding practices, or person. Advertising should not be worded to attract undesirable buyers nor encourage raising dogs for profit.
- ☐ Consider the growing problems related to excess dogs ending up in animal shelters and should exercise sound judgment and prudent restraint in their breeding programs. Litters should be limited to numbers that are consistent with achieving a sound breeding program and the best interests of the Kerry Blue Terrier.
- ☐ **Be prepared to assume lifetime responsibility for any litter produced.**

III. RESPONSIBILITIES AS AN EXHIBITOR OR HANDLER

- ☐ Act professionally at all times in caring for and exhibiting any dog in your charge.
- ☐ Do not engage in any questionable contact with judges prior to exhibiting under them.
- ☐ Comply with AKC Rules and Regulations for Dog Shows, Obedience Trials, Field Trials, and The Guidelines for Dog Show Judges.
- ☐ Exhibit or handle only those dogs that conform as closely as possible to the approved standard.
- ☐ Do not indulge in the practice of making "kennel majors", or exhibiting filler dogs that they know themselves to be unworthy of championships, for the purpose of finishing dogs. Such practices lessen the meaning and value of a championship and do not serve the breed.

IV. ENFORCEMENT

- ☐ The USKBTC expects adherence to this Code of Ethics and blatant disregard of these standards will not be condoned. Violations of the standards are not in the best interests of the Club or the breed. Such behavior can serve as a cause of imposing discipline or terminating membership if charges are brought before the Board of Governors in accordance with the procedures as defined in Article VI (Discipline) of the USKBTC Constitution and Bylaws.
- ☐ Article VI addresses the specific procedures for proffering charges; the hearing process; and the rights of the parties involved. Each member is expected to be fully familiar with this very important provision of the By-laws.
